

Junk Car Ordinance To Be Enforced Here

Three residents of Antioch are going to be arrested by village police unless they remove junk cars from their property.

This was decided Tuesday night by the Antioch Village Board of Trustees after it was reported to them by Police Chief Jack Davis.

The board was informed that all three alleged violators were on North Avenue.

Village attorney Edward C. Jacobs advised the board to send a letter to the alleged violators giving them some time to remove the litter.

"Then if they don't comply you can issue a ticket for the violation," Jacobs said, "and have the junk towed out of there."

Jacobs told the board to include in the letters that they were carrying on a nuisance and to end it or criminal prosecution would follow.

The three violators were not named by Davis although he is supposed to supply the names to the village clerk so that the letters may be sent out.

DEAD TREES

Residents on Oakwood Drive in Oakwood Knolls are also going to get letters from the village.

They are in regard to dead trees lining streets and creating what was termed a "hazard" in the area.

Jacobs told the board that an ordinance calling for removal of diseased trees from private property was in effect.

The village intends to give five days notice to property owners there to remove the trees. If this is not done, under the ordinance the village may move in and remove the trees and charge the cost to the property owners.

TOUR INVITE

The village officials and their wives have been invited to view the new Lake County administration building in Waukegan the evening of March 1.

The invitation was sent out by Antioch Township Supervisor Lloyd E. (Red) Murrie, chairman of the Lake County Board of Supervisors.

Festivities will be from 7 to 9 p.m.

CONNECTION FEE

Purchasers of lots in Sequit Terrace will have to pay \$170.86 for connection to the new sewer line just completed in the area.

The board was informed that the lift station and force main was completed for the area at a cost of \$17,257. The cost of the connecting fees was figured on the basis of 101 lots in the subdivision.

TRASH COMMITTEE

Mayor Raymond P. Toft Tuesday named a three man committee to study trash barrels to be used throughout the village.

Toft pointed out that a sample barrel was put outside the village hall and had almost been filled.

Named to the committee to study the feasibility of purchasing trash containers were trustees Richard H. Radke, Richard O. Burnette and Robert C. Willon.

Peacock Camp Gets \$10,000 From Estate Of Mildred Haerther

Peacock Camp, for Crippled Children at Lake Villa, received a gift of \$10,000 from the estate of the late Mrs. Mildred Peacock Haerther of Deep Lake Road who died on Jan. 30 at the age of 72.

The bulk of the \$2.1 million estate was left in trust to her husband William W., a retired stock broker and her sons William W., Jr., and Daniel. The will provides that each son receive \$8,000 a year for life, and Mrs. William W. Haerther, Jr., will receive \$100,000.

The late Mrs. Haerther was the granddaughter of Charles D. Peacock, founder of C. D. Peacock Jewelers, Chicago, and E. J. Lehman, founder of the Fair Store, now merged with Montgomery Ward & Co.

Antioch Well Off With Six Doctors

If you think Antioch is bad off in not having enough doctors—pity some other towns.

Antioch with a population (Continued on page three)

AUDIT APPROVED

The village board also voted in other action to pay \$800 for an audit of the village books.

NINE ERRORS

The Zoning Board of Appeals was authorized to hold a public hearing to make nine changes in the Zoning ordinance.

In each instance the change would be for the Zoning Board to hold hearings instead of the Planning Commission.

The approval was given after it was pointed out the Planning Commission had no funds to hold such hearings and it was rightfully the province of the Zoning Board.

SAFE REMOVAL

And finally it will have to wait for warm weather for

the village safe to be moved across the street into its new quarters.

It was pointed out that the windows would have to be knocked out of the old village hall and then bricked up again, leaving space for an air conditioner for the village police station.

It was decided that it was too cold to do such work at this time.

"Grass Fires Costly; Be Careful", Says Todd Maplethorpe

Grass fires kept the Antioch Fire Department busy last week with putting out 12 fires. Lake Villa's Fire Department answered 5 grass fire calls.

Antioch's Fire Chief Todd Maplethorpe warned people to be careful and to keep trash burning to a minimum until we get some snow cover. About 80% of the Antioch fire calls were caused by trash burning.

Antioch firemen also put out a car fire last week. A leaky gas line was blamed for the fire and the car was owned by Dennis Murphy of Oakwood Drive, Antioch. Damage was reported as slight.

AGS To Get \$12,551 Federal Money For Summer Program

The Antioch Grade School Board voted Tuesday night to join the summer instructional plan which will include schools such as Millburn, Lake Villa, Emmons and Grass Lake.

Elementary level remedial reading will be taught primarily and grades 3 through 7 would most benefit from this program. Centers will be set up based on population and classes will be set up throughout the area. Federal funds will pay for the project. The Federal Government

under Title I ESEA has allocated \$12,551 which will cover the 65 Antioch Grade School students who would be involved in the program.

The board also pledged to make a 2% levy for 5 years as the district's share in the construction program for the special education district of Lake County. The purpose of this levy is for building classrooms to serve special education students, such as the deaf, mentally retarded, crippled, etc. Board member Wayne Polsgrove was

appointed to represent District 34 and to vote in the affirmative for the building program at the annual meeting of the Special Education District of Lake County on Feb. 28 at Mundelein High School. Mr. Richard Whitacre, Antioch Grade School Superintendent, will also attend this meeting.

Board member Robert Burns will attend the Tri-County Division of Illinois School Board meeting at the University of Illinois, Circle (Continued on page three)

ANTIOCH, ILLINOIS, THURSDAY, FEBRUARY 22, 1968

VOL. LXXXII. NUMBER 35

ANTIOCH'S WEeping WATER TOWER

A gasket at the bottom of the water tower started leaking Friday, but in order to fix the leak properly, the tower must be drained. Village officials say this will be done as soon as the weather gets warmer. Meanwhile, Antioch's needs are well taken care of by its other water tower Northeast of town.

Pawlowski Sentenced In Theft

Larry Pawlowski, 36, of Antioch, who formerly sold used cars, will know where he'll be every Sunday night until Wednesday morning for the next 52 weeks.

Pawlowski will be in the Lake County jail as part of a five-year probationary term meted out Friday afternoon by Lake County Circuit Judge Lloyd A. Van Dusen.

Pawlowski had pleaded guilty earlier to theft in connection with executing fraudulent retail sales installment contracts with the State Bank of Antioch and the First National Bank of Antioch over a three-year period.

First National Bank officials said he owed them a total of \$38,551—excluding interest and State Bank officials said he owed them a total of \$57,914.

According to testimony, Pawlowski had taken a total of \$85,435 from the State Bank and \$56,062 from the First National Bank. Further testimony showed he had executed additional contracts to take care of what he already owed.

Judge Van Dusen said he did not see what would be accomplished by levying a fine and indicated it would be up to the banks to file any civil case to try to recoup what is owed them.

\$20 Counterfeits Appear In Antioch

Two \$20.00 counterfeit bills have been taken in by the State Bank of Antioch in the last week. The bills carry a series number beginning F481-019 and seem to be the same as were circulating in Antioch last July.

The paper is different from that used on regular bills and green ink does not rub off of these counterfeit bills.

Channel Lake Girls Play Hookey Friday

Police And Plane Help In Search

Dawn Sorby, 9, and her sister, Debra, 6, were the objects of a four hour search by neighbors, friends, state and sheriff's police Friday.

The two girls failed to arrive at Channel Lake Elementary School Friday morning and when their absence was noted by Principal Harlan Ware, he drove over to the Sorby home at 10:45 a.m. to try and find out what had happened to the girls.

Their mother, Mrs. Arthur Sorby, of Route 3, said the girls had started off for school as usual Friday morning. Mrs. Sorby got in touch with her husband, who came

home from work, and a search was started immediately for the girls by the Sorbys, Ware, neighbors and friends.

The parents called the police at 1 p.m. and this touched off a wide search that included use of a state police airplane.

At about 3 p.m. Sgt. John (Continued on page six)

Total Snow This Season: 25.2"

Remarks: Not much to be said about last week's weather except that it has been quite clear and cold. Friday and Saturday we had strong winds from the west running from 20-35 M.P.H. That wasn't enough to stop the ice fishermen who were getting good catches of catfish and striped bass on Channel and Lake Catherine.

Weather observers frequently (not so in my case) receive requests for information about climate. Sometimes the questions are routine, such as "How much rain did we have last night?" or "What was the lowest temperature last week?" This is being covered by this paper in the "Post Week's Weather." But my offer still stands and if you have a question that can't wait for a week a call will get you the answer as soon as possible.

I had a call the weekend before last from a lady who had some damage from the wind and she wanted to know "When did we have strong winds?" All she could tell me was "It was sometime in the early fall." If this should ever happen to you, make note of the date, time, weather conditions such as hail, rain, thunder, lightning, etc., and I will do all I can to verify your statements.

Reckers Chairman of '68 Local Red Cross Drive

"Antioch township's goal in the American Red Cross March 1968 Fund Campaign is \$1,500, announced Preston Reckers, Jr., chairman of the 1968 Red Cross fund drive for Antioch Township. Reckers is assistant vice-president of the State Bank of Antioch.

Assisting Reckers in the Antioch drive will be Joe Beemsterboer of Antioch V&S Hardware, as Retail Chairman; Everett Ofstedahl, Frostee Foam Co., Industrial Chairman; Mrs. C. P. Tossey, 462 Windsor Drive, Antioch, and Mrs. Robert L. Burns, 401 Windsor Drive, Antioch, Residential Co-Chairman and Mrs. Harold Gaston of the Antioch News, publicity chairman.

The nationwide drive for funds for the Red Cross will be geared to the theme of "SOS—Support Our Servicemen" and the slogan "Help Us Help."

"The funds contributed here," said Reckers, "will be used to support the chapter's local services and to provide its share of financing the expanding national Red Cross programs, especially its services to the armed forces and veterans."

Antioch township has had an average of about 50 servicemen in Vietnam throughout the past year. Because of the greatly increased cost of serving U.S. servicemen in Vietnam and because of a series of major disasters, the Red Cross has been forced to

Preston Reckers, Jr., Assistant Vice-President of the State Bank of Antioch who is 1968 American Red Cross fund drive chairman for Antioch Township.

ask the American people for the largest sum of money since World War II—\$121,624,000.

The main job of the American Red Cross is not providing coffee and doughnuts to the servicemen. Red Cross First Aid courses are offered throughout the country. All members of the Antioch Rescue Squad were trained by the Red Cross. A training course is being offered right now in Antioch under the direction of Dan Dugenske. It is difficult to estimate the

number of lives saved, thanks to Red Cross Training.

The swimming courses, offered at the Antioch Aqua Center, under the supervision of swimming instructors from the Red Cross, is another outstanding Antioch Red Cross program. The cost of these lessons would be greatly increased if it were not for the help of the Red Cross.

Red Cross First Aid courses on water safety are also offered in the lakes area.

In April, 1967, a tornado (Continued on page three)

Junior College Board Seeks Office Space

The Lake County Junior College Board, through its attorney William Hartnett is completing lease arrangements to locate the board of office in the St. Therese School of Nursing, Waukegan.

The board will rent the 750 square foot office space for two years with a 90-day notice clause for terminating the lease within the two years.

The board will meet at 7:30 p.m. Thursday to discuss temporary classroom facilities for the junior college.

Rural Antioch Man Killed In 2-Car Crash

Gen. J. Nixon, 43, of RFD 2, Antioch, was killed last Friday night in a head-on crash on Rte. 120 at the Tri-State Tollway.

The accident occurred shortly before 8 p.m. as Nixon was driving west on Rte. 120 in the eastbound lane, according to sheriff's deputies.

Nixon's auto collided with an eastbound car driven by Kenneth H. Grubb, 20, of 31 S. Slusser St., Grayslake. Both Grubb and his wife, Cherie, 18, were injured in the crash and taken to St. Therese Hospital, Waukegan, for treatment.

Grass Lake PTA To Pack For Vietnam

Grass Lake School PTA will help with the packing and mailing of Project Vietnam packages on Monday, March 4, at 7:30 p.m. in the school gymnasium.

Donations of money, ballpoint pens, wrapped hard candies and paper back books will be very welcome.

Project Viet Nam received a letter this week from Mrs. Winsor W. Warriner, of Peoria, Ill. She wrote: "Dear Mr. Wolf:—I have been reading with very deep interest of the wonderful work the residents of Antioch have done toward the Vietnam Project. You have good reason to be proud of your village. I am enclosing a check, hoping it will help in some small way."

Mrs. Warriner enclosed a \$10 check for Project Vietnam. Donations have also been received from Frank ReCupido, Mrs. Bob Hart, Mrs. Hanne, Mrs. V. C. Hawks, Mrs. Rosquist, First National Bank, Laura Swanson, Mrs. Dolores Abderholden, Mrs. Kenneth Young, Arthur Price, Mr. Lasco, Winsor Dalgaard, (Lake Villa), M. Fitch, State Bank of Antioch, Mrs. Fleet M. Perkins (San Francisco, Calif.), Mrs. Bywell, Mr. and Mrs. Walter

Hennings, Mrs. Olson, Mrs. Walter Buchert, Bob and Irene Griffin, Irma Hostetter, Mrs. Paul M. Ferris, Mr. and Mrs. Glenn Fox, and Pickard Inc.

A letter was also received from the Nursing Staff of the 667th Evacuation Hospital acknowledging receipt of two gift packages, contents of which were distributed throughout the hospital wards to many grateful and appreciative patients.

Home Needed For Foreign Exchange Student By American Field Service

An informal meeting of the Antioch Adult American Field Service Chapter was held at the home of president, Beverly Sorenson on February 13, to discuss new officers, and home applications for a foreign exchange student in the 1968-69 school year.

Mrs. Sorenson urges that anyone interested in offering their heart and home to a foreign student in the coming year, please contact her im-

mediately, 395-4017. Applications are due in New York this month.

The adults and students of the Antioch A.F.S. are proud to have sponsored three foreign exchange students in 1965, 1966 and 1967. They hope to have another arrive in August of this year.

The A.F.S. needs the active support of the people in the Antioch High School district to keep this worthwhile program alive in this area.

Will Seeks Spot As GOP Delegate

Attorney Robert P. Will, Jr., has announced his candidacy for the post of alternate delegate to the 1968 Republican national conventions scheduled for Miami.

Will is seeking the spot in the 12th Congressional District consisting of Lake and McHenry Counties and two townships in Cook County.

The Zion attorney is run-

ning a member of the Illinois Bar Association, the American Bar Association and the Illinois Trial Lawyers Association.

He is a member of the Waukegan Elks Lodge, the Zion-Benton Moose Lodge and is a past director of the Lake County Shrine Club and the Zion Lions Club.

He is also a member of the Lake County Republican Federation and the Zion-Benton Young Republicans Club. He lives at 2215 11th St., Winthrop Harbor with his wife and daughter.

Local Firms Help Occupation Program

The Diversified Occupations program at the Antioch Community High School continues to be encouraging. Faculty Supervisor Adrian Mueller lists 22 students participating, the occupation, and training station, as follows:

*Louis Aerne, Auto Mechanic, Hucker's Garage; *Charles Bethman, Plumbing, John Cribb Plumbing; *Walter E. Boslick, Partsman, John Teresi; *Bob Benson, Auto Body Repair, Yde's Auto Body; George Broecker, Printer, Lakeland News; Beverly Calloway, Nurses Aid, Condell Hospital; *James R. Clark, Partsman, Behning Auto Parts; Frank Curneal, Shipping Assistant, Pickard Inc.; Don Evans, Draftsman, Expanda

Foam; Don Fencil, Model Maker, Expanda Foam; Bruce Gussarson, Welder, Antioch Welding; Cindy Hensley, Information Operator, Ill. Bell Telephone; *Charles Jenkins, Auto Mechanic, Lyons & Ryan Ford; Marsha Kleck, Floral Arranger, Ralph's Greenhouse; Gordon Liptow, Dool & Die, Glen Tool, Inc.; Allan Kriesant, Machinist, Victory Car-bide; *Keith Maier, Auto Mechanics, Fred Maier; Ron Nielson, Serv. Maintenance Northern Co. J. Heick; *Daniel C. Toman, Draftsman, Prestige Metal Products; Joy Voisted, Dental Assistant, Dr. Richard Bieles; Terry Wells, TV Repair, Economy TV; *Charles E. Wilder, Draftsman, Glen Tool, Inc. *Denotes Seniors.

Stern Seeks Democratic Delegate Nod

Herbert L. (Hub) Stern, of Highland Park, today announced he is a candidate for delegate to the Democratic national convention.

Stern, long active in Democratic affairs in the 12th District, was a candidate for Congress in 1966.

An attorney and business man, Stern has long expressed an interest in foreign policy and economic assistance to underdeveloped countries. He is also concerned with control of air and water pollution, civil rights and urban problems. Stern is a partner in the law firm of Gottlieb and Schwartz, specializing in corporation law. His wife is an assistant supervisor from Deerfield Township.

Junk Car Test

The Village of Antioch, by its own volition, is going to get tested on its recently passed junk car ordinance.

It seems there are three residents of the village who apparently are in violation of the newly adopted ordinance.

Junk cars are littering the property creating an eyesore.

But the village, in our opinion, is taking the correct way to solve the problem.

Instead of sending the tow trucks wheeling up on North Avenue to pull away the debris, the village is giving out a warning.

Letters are being sent out to the three alleged violators giving them time to take some action for themselves.

This is sensible and will not create any bad feelings that could come if our police force had to go up and arrest the violator.

This could happen if the violator doesn't comply with the written request.

This method will also give our new police chief time to get his feet wet in his new post.

It is to his credit to note that it was he who brought the matter to the attention of the village fathers.

Work Program

The Department of Labor plans to move 114,000 people off welfare rolls into training programs and jobs in the next 18 months.

We are one of the first to laud this action.

Too long have the welfare rolls been swollen with able bodied citizens who could, and should be gainfully employed.

The process will be accomplished under the 1967 amendments to the Social Security Act calling for a Work Incentive Program.

Labor Secretary Willard Wirtz estimates that 32,000 men, women and out-of-school youths over 16 will be in training or be employed by the end of 1968 and another 82,000 could be placed into training by 1969.

One of the biggest expenses today in our state government is care for those receiving various forms of welfare.

One good thing about the program is that an individual referred and refusing to participate without good cause may have his or her welfare payments cut off.

The program will begin on July 1.

Courthouse Notebook

By Lou Durkin

Lake County, with some 35,000 to 40,000 votes available for the Republican primary June 11, could be a key factor in the nomination of a Republican candidate for Governor, but chances are the local votes will be scattered so evenly among the three top contenders its strength will be wasted.

John Henry Altorfer, the Peoria industrialist, made some early appearances in Lake County and a Citizens Committee was organized last summer, but so far its actions have been closely guarded secrets.

Republican Central Committee Chairman Robert J. Milton was an early thumper of Altorfer drums and probably will be in his camp personally even if he cannot lead the entire committee to a stance for Altorfer.

County Coroner Orville (Pat) Clavey is another Altorfer backer of stature and will undoubtedly have considerable influence in lining up Altorfer support.

Cook County Board President Richard Ogilvie has been entertained by State Representative John Conolly, of Waukegan, who is in the Ogilvie corner and the grim-visaged former sheriff will probably have strong support along the North Shore which has always been Chicago-oriented in its political and social life.

With Rep. Conolly backing Ogilvie it is no surprise that State Rep. W. J. Murphy, who will be a candidate for a seventh term, should come

Outside of the race for

Your Congressman Reports....

By Cong. Robert McClory

Foreign affairs have replaced domestic issues as the chief concern of Congress and the nation.

No amount of official explaining can explain away the fact that our nation is in deep trouble on the international front. When the President and others who direct our foreign policy declare that they "expected" disastrous occurrences, such as the recent offensives against the cities of South Viet Nam, there is reason to ask: "Well, why, then, were we taken by surprise?"

Members of the Congress—both Republican and Democratic—have recognized the President's constitutional prerogative to initiate and direct the nation's foreign affairs. Virtual full support of military policy and almost complete support of non-military policy have been evidenced by congressional approval of authorization and appropriation bills, treaty approval, adoption of concurrent resolution, and in other legislative and non-legislative actions.

Sharp disagreements with Administration foreign policy have been expressed by only a handful of Members of the Senate and even fewer Members of the House. However, there have been frequent references to the "credibility gap," "vacillation," "inefficiency," "extravagance," and instances of "too little, too late." Such criticisms relate not to overall policies but to the execution of policies already adopted. These criticisms appear now to be substantially justified.

Congressional investigations disclosed concealment from the Congress and the public of information unrelated to our national security. The Congress exposed the tragic deficiency of the M-16 rifle. A committee of the Congress revealed corruption and defalcations in the administration of our civilian AID program in South Viet Nam. Further congressional inquiries undoubtedly will reveal shocking failures in the Alliance for Progress—a program which was aimed at "strengthening" our position in South America.

The Executive Branch also will have to explain the mistakes which resulted in the recent capture by North Korea of the Navy intelligence ship, U.S.S. Pueblo, together with the reported loss of highly secret and sophisticated equipment and a crew of 83 officers and men.

Congressional criticism is not enough. Indeed, when the political party which controls the Executive Branch also controls the Legislative Branch (the two Houses of Congress), even congressional investigations can have only limited value and effect. Democratic leaders are inclined to "pull their punches" when they find themselves obliged to criticize fellow Democrats in the Executive Department.

In a recent article entitled "Policy and the People," Governor Nelson Rockefeller of New York declared, "The

Governor, the most interesting races in the GOP primary could well be for delegate and alternate delegate to the GOP national nominating convention.

The race not only offers candidates who are willing to state they are for a particular candidate, but there is a wide range of ages of candidates.

Personally, we welcome the determination of young men to get involved in the convention race because the Republican Party needs some transfusions—and some appeal to young voters.

And yet, somehow, it seems a sad thing when the young men lean to the more conservative candidate, while the older delegate aspirants seem to prefer the moderate or, you should pardon the expression, liberal candidates. Conduct of foreign policy vividly illustrates... the need

ALONG THE WAY with Annie Mae

Congratulations

To Phil and Kathy Cirone on the arrival of a little girl in pink. Kathy is better known as one of the girls from Flo's Beauty Shop.

"Why Don't They Visit...?" For those that attended the Grade School Band Concert, it was well worth it. "Where were all you parents?"

Moving In—Ed and Irene Jacobs moved into their lovely new home on Harden St., just two doors from their previous home. Roger and Carol Leaf and their two sons will be making the latter their permanent residence.

Spare Time, Anyone? Got word this week the Downey Hospital needs volunteer help for any phase of hospital work. If interested ask for Mr. Clark when calling.

Put to the Test That new fire truck certainly got broke in in royal fashion this past week, with about ten fires.

Till next week,
ANNIE MAE

This Story Smells!

Petunia lay dead on Grass Lake Road, near Drexel Blvd. Wednesday morning. She was a pretty skunk—sleek fur—but that's all the good we could say about her. What she did to the atmosphere of the neighborhood was quite another thing.

We discovered that the County Highway Department in Libertyville were the ones to contact regarding dead animal removal on Grass Lake Road.

Had Petunia been killed on Ackerman Road or any township road, Antioch Township Highway Department would have taken care of her remains.

One question—What if her demise had occurred at the junction of Ackerman and Grass Lake Road—with half of her on each highway? Would two trucks arrive—and would vivisection take place?

Mundelein Firm Cited By Wirtz

Secretary of Labor Willard Wirtz has asked the U. S. District Court in Chicago for an injunction against violations of the Fair Labor Standards Act by Northfield Block Co., Rte. 60 and Soo Line tracks, Mundelein.

The complaint alleges that the firm has been violating the overtime and recordkeeping provisions of the Act—the federal wage and hour law.

The complaint alleges that many of the firm's employees have not been paid at time and one-half rates for periods worked over 40, 42, and 44 hours in a week respectively, and the firm failed to keep adequate and accurate records of employees and their hours as required by the Act.

The legal action followed an investigation by the Labor Department's Wage and Hour and Public Contracts Divisions under the supervision of Gerald J. Mitchell, Regional Director.

to establish a larger framework of objectives, purpose and concept if we are to act constructively." The Governor further declared that "It is the task of leadership... to make certain that the public understands the fundamental... considerations on which our strategic position depends."

This is certainly not a time to look for scapegoats. However, it is a time to (a) seek peace in the world, (b) regain respect for our nation and (c) promote freedom for all people. This is the lofty ideal which has been set by most Americans as the nation's true "foreign policy."

It is high time to restate these broad objectives, goals and purposes and to make this policy abundantly clear to the entire world—friend and foe alike. It is essential also that the public understands both the policy which embodies these objectives, purposes and goals and the full facts upon which this policy is based.

Lake Co. Artists To Have Art Show

Amateur artists in Lake County are invited to submit their original paintings and other art items in the eighth Lake County Town and Country Art Show. The show will be held in the Farm Bureau Building on the Lake County Fair Grounds, Tuesday and Wednesday, March 26 and 27. It will be open to the public from 1:00 to 10:00 p.m. on March 26 and 9:00 a.m. to 9:00 p.m. on March 27.

Two separate exhibits will be held, including those of artists of high school age and older, and those below high school. All entries will be judged by three competent judges selected by the University of Illinois.

Artists may submit up to three different original paintings or other art items made during the past year. Paintings may be in oil, water colors, pencil, charcoal, pastels, ink or any media on paper, canvas, or flat surface. Ceramic pieces, metal enameling, wood carving, weaving, and other handicraft items can be entered.

A complete list of rules and procedures can be obtained by writing the Lake County Extension Advisers, Ray T. Nicholas, P. O. Box 267, or Helen Volk, P. O. Box 356, Grayslake, Illinois 60030.

This show is sponsored by the Lake County Agricultural and Home Economics Cooperative Extension Service of the University of Illinois. Last

Commonwealth Edison Co. Promotes Hughes & Brown

John H. Hughes has been appointed Waukegan District superintendent of Commonwealth Edison Company, succeeding Norman E. Brown, who has been promoted to assistant to the division vice-

Dresden nuclear power station. He is a graduate of Loyola University of Chicago.

Brown has been superintendent of the Waukegan district since 1961, following service in the same capacity at Highland Park. During his 40 years with Commonwealth Edison he has held various managerial positions in industrial development and sales promotion. A registered professional engineer, he is a graduate of Iowa State University.

He is a director of the Waukegan - North Chicago Chamber of Commerce, a director of the Lake County Urban League and a member of the Rotary Club of Waukegan. His other affiliations include the Union League Club of Chicago and the University Clubs of Evanston and Waukegan.

John H. Hughes

president at the company's Northbrook headquarters.

With Commonwealth since 1950, Hughes has been associated mainly with the nuclear activities of the electric company, most recently as nuclear licensing administrator. Previously he served as a staff assistant to the president and as an engineer at

year's show drew a total of 55 entries by more than 200 amateur artists.

Patricia Yales Is Make-Up Distributor

Patricia Yales, of Rock Lake has just returned from Atlanta, Ga., where she studied cosmetology and make-up techniques, at the Viviane Woodard Academy.

She is now a distributor of the cosmetics, a qualified make-up artist and will be available for demonstrations for women's clubs and organizations.

Pat is the wife of Ronald Yales who is an employee of the Antioch Post Office. Her future hopes are to open a shop in Antioch.

Realtors Will Hear Of "Con-Con"

The controversial Constitutional Convention question will get the full treatment next Monday night at a dinner meeting of the Waukegan-Lake County Board of Realtors beginning at 7 p.m. in the Adria Restaurant, North Chicago.

Speaking in favor of "Con-Con," which will be on the ballot in November will be State Rep. John S. Matijevich, D-North Chicago.

The opposing view will be given by State Rep. W. J. Murphy, Petite Lake, and also a real estate man.

Agronomy Handbook Available To Public

The new 1968 Illinois Agronomy Handbook is now available and may be obtained at the office of Lake County Extension Adviser, Ray T. Nicholas, on the Lake County Fair Grounds.

This Agronomy Handbook provides the latest information on corn, soybean, wheat, oats, and hay, silage, and pasture production. It also contains sections on soils and soil fertilizer, and weed control.

This 38 page circular may be obtained at the Extension Adviser's office for 25 cents, or will be mailed postpaid for 35 cents.

AARP Offers Income Tax Info Feb. 27

Plans are being made for the Tuesday, Feb. 27 meeting of the Antioch Area Chapter No. 387 of the American Association of Retired Persons. A member of the Waukegan office of the Bureau of Internal Revenue will give a talk on income tax information at this meeting.

Sixty-five people attended the AARP meeting last week. A report was given by the committee appointed to check into the possibility of having a low rent housing project built in the Antioch area for the benefit of the elderly citizens.

The committee attended a meeting of the Lake County Housing Authority at North Chicago recently and got a briefing as to the legal phases in connection with a low rent housing project for the Antioch area.

They were informed that the present allotment of federal funds have all been allocated for projects within the county and with additional funds expected to be set aside by the end of the fiscal year in June. The committee was advised to go ahead and present the required res-

olution to the Antioch Village Board in order to have a survey made in the Antioch area for such a project.

Harold Lindberg, John Mulac, Mrs. Joseph Anetsberger, Mrs. Clara Johnson and Mrs. Harrietta Pirson were appointed as members of the nominating committee to be voted on at the March 5 meeting.

The membership chairman reported a total of 115 members.

Landscape Specialist on Program

A color slide program on European Art, including sculpture, landscape design, and floral gardens will be given Monday, Feb. 26, at 8 p.m. in the Farm Bureau Auditorium on the Lake County Fair Grounds, Rte. 45, 1/2 mile north of Rte. 120.

This program, to be presented by W. R. Nelson, Jr., landscape specialist of the Extension Service of the University of Illinois, is based on many pictures taken and observation made during a six months' tour of several European countries this past summer.

Nelson is one of the nation's leading landscape design experts and the author of a best selling landscape book, "Landscaping the Home Grounds." He recently completed a series of publications on landscaping public areas.

This program, featuring Nelson, is sponsored by the Illinois Society for the Appreciation and Preservation of Fine Arts and the Lake County Agricultural Extension Service.

In addition to Nelson's presentation, there will be a showing of selected works by Illinois artists in recognition of the Illinois Sesquicentennial.

The program is open to the public and all interested parties are invited to attend. A registration fee of 50c will be made at the door.

Students View Film Examining Payment Deficit

A specially produced film titled to examine the nation's current preoccupation with the balance-of-payment deficit will be presented in 500 public and parochial schools in February by Commonwealth Edison Company.

"Crisis in Gold" depicts the issues and problems behind the dollar drain that are pressing the government to re-evaluate many of the nation's traditional monetary policies in an effort to halt the flow of gold overseas.

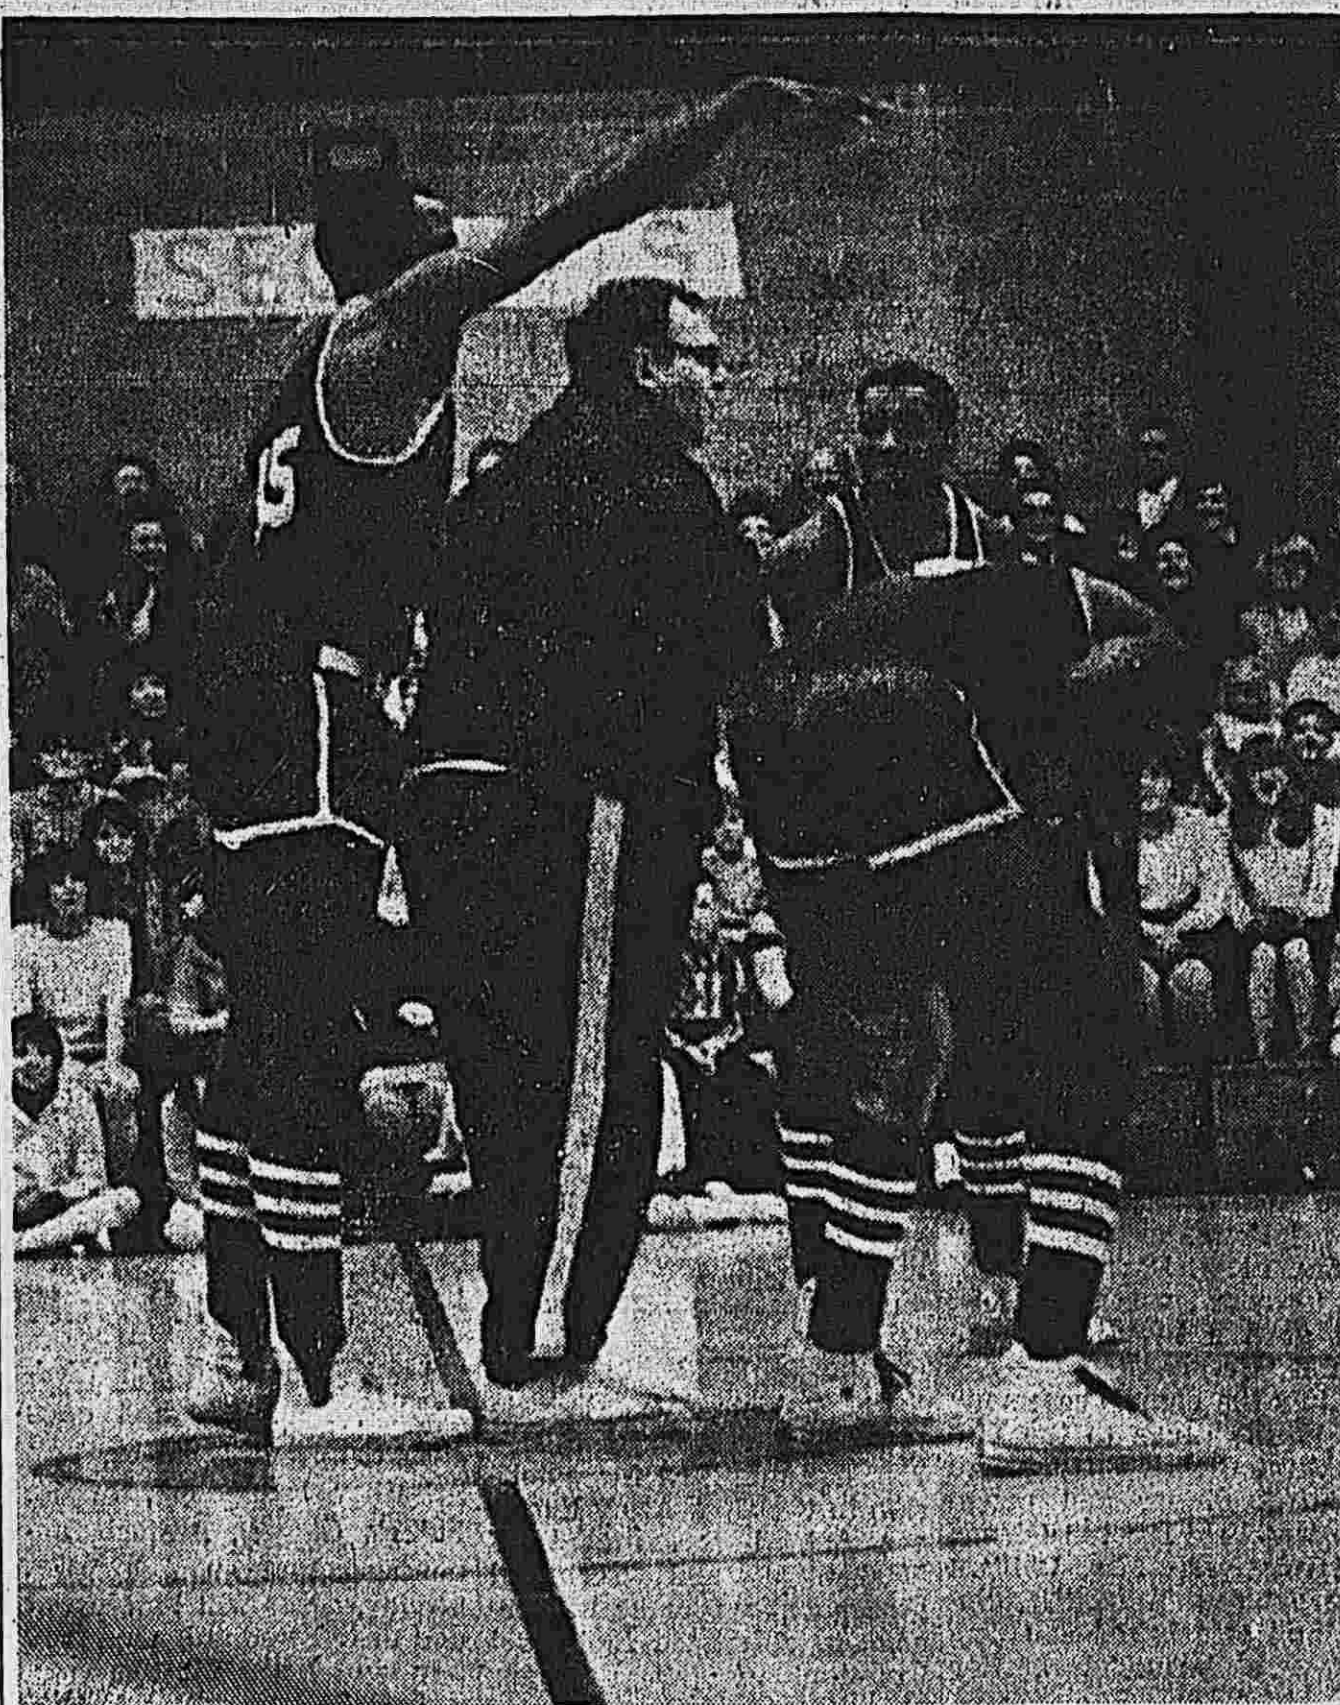

The documentary is the sixth in a series of ten Screen News Digest films being sponsored by Edison this year as a public service.

"Nearly 200,000 students in Chicago and northern Illinois view the documentaries each month," Edward Menke, Edison director of public relations, said.

"We feel that the presentation of this film is in keeping with the philosophy of Screen News Digest to analyze the 'now news.' Films such as these bring into focus contemporary events that have meaning for citizens on every age and educational level," he said.

Since 1965 when Edison began sponsoring Screen News Digest, a half-million elementary and high school youngsters have seen the films. About 110 schools in Edison's northern division, which extends from Chicago's northern city limits to the Wisconsin state line and from Lake Michigan west through half of McHenry County, will receive Screen News Digest.

Menke said the films are also available to public and civic organizations on request to Edison local headquarters offices.

Walt Soderman of Oakland stands tall, but not tall enough as Ezell "Mule Man" Keeton, of Harlem Clowns 6'8" towers over him, at ACHS faculty basketball game Thursday night.

Fire Destroys Cow, Calf, Barn

Antioch and Lake Villa fire departments joined in a call at the Mae H. O'Brien farm on Town Line Road, Saturday.

Mrs. Ivan Makolondra, who lives on the farm, noticed smoke coming from the barn, and immediately called the fire department.

Two ponies were saved, but a calf died in the blaze and a severely burned cow

had to be destroyed. The barn was a total loss, but firemen managed to save a nearby shed.

Heroine of the day was Darlene Johnson, a sophomore at Antioch Community High School. Her cool head and quick thinking saved the Makolondra car which was in the barn.

Origin of the fire is unknown.

Reckers Chairman

(Continued from page one)

struck suddenly, not too far from Antioch in nearby Lake Zurich. A total of 255 families suffered loss or damage to their homes.

Within 30 minutes after the tornado struck, the American Red Cross disaster committee was in action and their untiring efforts continued for the next 12 days.

Funds contributed to the Red Cross by the people of Antioch and Lake County helped the Red Cross with their aid to these unfortunate victims.

Food, clothing and shelter were provided; rehabilitation aid (building and repair of owner occupied homes, household furnishings, medical aid, occupational supplies and equipment) initial damage survey, as well as food were offered to the disaster victims.

The Red Cross has been in action wherever disaster strikes—giving quick help and aid to those in need.

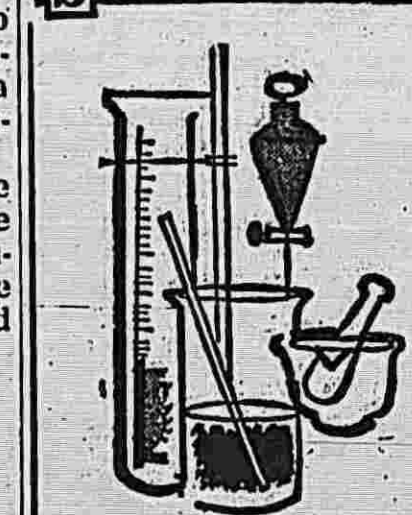

Anyone wishing to volunteer his services in this drive should contact Mr. Reckers, 395-0780 or 395-2700.

Antioch High Drop Out Rate Near 10%

The student drop-out rate as of Jan. 26, 1968 at Antioch High School is 2.3%. If the rate holds for the remainder of the school term, it will compare favorably with the low drop-out rate of the past.

The counseling department indicates that the four years drop-out rate has been slightly less than 10% for the past several years.

Symbol of Better Health

Rx Stands For Prescriptions

There are many theories regarding the origin of the symbol, "Rx". One claims that it is an abbreviation of the Latin word "recipe." Whatever its origin, the "Rx" today symbolizes the prescriptions that help us attain better health, longer life.

ACHS Grooming Code Revised Many Times

Antioch High School's grooming code has been criticized on several occasions this past year by a minority of parents and students, mostly directed at the length of skirts for girls and the length of hair for boys.

The current policy on length of skirts is four inches above the bend of the knee. Boys are required to have crew cuts or short hair cuts normally worn by teen-age boys.

Antioch High School's grooming code is not the making of any one person, but has been developed through the efforts of many people. It originated about 15 years ago when parents, students, board members, teachers and administration felt a code was necessary.

The code has been revised many times through the years by the student council, teachers, board members and the administrator, working in cooperation with each other.

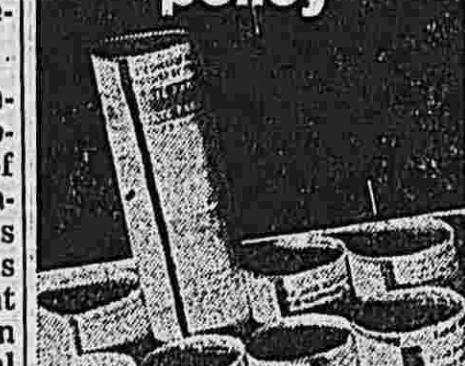

Since the grooming code has evolved in the manner it has and will continue to change with the times through orderly procedure, parents and students are strongly encouraged to cooperate and abide by the code.

In Pamphlet For Parents

For parents seeking ideas for their youngsters' vacation activity and for young people looking for summer employment, a new directory listing more than 50 of the leading midwestern boys' and girls' summer camps has just been published by the Midwest Association of Private Camps.

The directories are now available, without charge by writing to the association at 1899 A Bosworth Lane, Northfield, Ill. 60093.

Junk Car Ordinance To Be Enforced Here

Three residents of Antioch are going to be arrested by village police unless they remove junk cars from their property.

This was decided Tuesday night by the Antioch Village Board of Trustees after it was reported to them by Police Chief Jack Davis.

The board was informed that all three alleged violators were on North Avenue.

Village attorney Edward C. Jacobs advised the board to send a letter to the alleged violators giving them some time to remove the litter.

"Then if they don't comply you can issue a ticket for the violation," Jacobs said, "and have the junk towed out of there."

Jacobs told the board to include in the letters that they were carrying on a nuisance and to end it or criminal prosecution would follow.

The three violators were not named by Davis although he is supposed to supply the names to the village clerk so that the letters may be sent out.

DEAD TREES

Residents on Oakwood Drive in Oakwood Knolls are also going to get letters from the village.

They are in regard to dead trees lining streets and creating what was termed a "hazard" in the area.

Jacobs told the board that an ordinance calling for removal of diseased trees from private property was in effect.

The village intends to give five days notice to property owners there to remove the trees. If this is not done, under the ordinance the village may move in and remove the trees and charge the cost to the property owners.

TOUR INVITE

The village officials and their wives have been invited to view the new Lake County administration building in Waukegan the evening of March 1.

The invitation was sent out by Antioch Township Supervisor Lloyd E. (Red) Murrie, chairman of the Lake County Board of Supervisors.

Festivities will be from 7 to 9 p.m.

CONNECTION FEE
Purchasers of lots in Sequit Terrace will have to pay \$170.86 for connection to the new sewer line just completed in the area.

The board was informed that the lift station and force main was completed for the area at a cost of \$17,257. The cost of the connecting fees was figured on the basis of 101 lots in the subdivision.

TRASH COMMITTEE
Mayor Raymond P. Toft Tuesday named a three man committee to study trash barrels to be used throughout the village.

Toft pointed out that a sample barrel was put outside the village hall and had almost been filled.

Named to the committee to study the feasibility of purchasing trash containers were trustees Richard H. Radke, Richard O. Burnette and Robert C. Wilton.

Peacock Camp Gets \$10,000 From Estate Of Mildred Haerther

Peacock Camp, for Crippled Children at Lake Villa, received a gift of \$10,000 from the estate of the late Mrs. Mildred Peacock Haerther of Deep Lake Road who died on Jan. 30 at the age of 72.

The bulk of the \$2.1 million estate was left in trust to her husband William W., a retired stock broker and her sons William W. Jr. and Daniel. The will provides that each son receive \$8,000 a year for life, and Mrs. William W. Haerther, Jr. will receive \$100,000.

The late Mrs. Haerther was the granddaughter of Charles D. Peacock, founder of C. D. Peacock Jewelers, Chicago, and E. J. Lehman, founder of the Fair Store, now merged with Montgomery Ward & Co.

Antioch Well Off With Six Doctors

If you think Antioch is bad off in not having enough doctors — pity some other towns.

Antioch with a population

AUDIT APPROVED
The village board also voted in other action to pay \$800 for an audit of the village books.

NINE ERRORS
The Zoning Board of Appeals was authorized to hold a public hearing to make nine changes in the Zoning ordinance.

In each instance the change would be for the Zoning Board to hold hearings instead of the Planning Commission.

The approval was given after it was pointed out the Planning Commission had no funds to hold such hearings and it was rightfully the province of the Zoning Board.

SAFE REMOVAL
And finally it will have to wait for warm weather for

the village safe to be moved across the street into its new quarters.

It was pointed out that the windows would have to be knocked out of the old village hall and then bricked up again, leaving space for an air conditioner for the village police station.

It was decided that it was too cold to do such work at this time.

"Grass Fires Costly; Be Careful", Says Todd Maplethorpe

Grass fires kept the Antioch Fire Department busy last week with putting out 12 fires. Lake Villa's Fire Department answered 5 grass fire calls.

Antioch's Fire Chief Todd Maplethorpe warned people to be careful and to keep trash burning to a minimum until we get some snow cover. About 80% of the Antioch fire calls were caused by trash burning.

Antioch firemen also put out a car fire last week. A leaky gas line was blamed for the fire and the car was owned by Dennis Murphy of Oakwood Drive, Antioch. Damage was reported as slight.

AGS To Get \$12,551 Federal Money For Summer Program

The Antioch Grade School Board voted Tuesday night to join the summer instructional plan which will include schools such as Millburn, Lake Villa, Emmons and Grass Lake.

Elementary level remedial reading will be taught primarily and grades 3 through 7 would most benefit from this program. Centers will be set up based on population and classes will be set up throughout the area. Federal funds will pay for the project. The Federal Govern-

ment under Title I ESEA has allocated \$12,551 which will cover the 65 Antioch Grade School students who would be involved in the program.

The board also pledged to make a 2% levy for 5 years as the district's share in the construction program for the special education district of Lake County. The purpose of this levy is for building classrooms to serve special education students, such as the deaf, mentally retarded, crippled, etc. Board member Wayne Polsgrove was

appointed to represent District 34 and to vote in the affirmative for the building program at the annual meeting of the Special Education District of Lake County on Feb. 28 at Mundelein High School. Mr. Richard Whitacre, Antioch Grade School Superintendent, will also attend this meeting.

Board member Robert Burns will attend the Tri-County Division of Illinois School Board meeting at the University of Illinois; Circle

"The Only Paper In The World That Cares About Antioch"

10¢ PER COPY

ANTIOCH, ILLINOIS, THURSDAY, FEBRUARY 22, 1968

VOL. LXXXII. NUMBER 35

Pawlowski Sentenced In Theft

Larry Pawlowski, 36, of Antioch, who formerly sold used cars, will know where he'll be every Sunday night until Wednesday morning for the next 52 weeks.

Pawlowski will be in the Lake County jail as part of a five-year probationary term meted out Friday afternoon by Lake County Circuit Judge Lloyd A. Van Duesen. Pawlowski had pleaded guilty earlier to theft in connection with executing fraudulent retail sales installment contracts with the State Bank of Antioch and the First National Bank of Antioch over a three-year period.

First National Bank officials said he owed them a total of \$38,551 — excluding interest and State Bank officials said he owed them a total of \$57,914.

According to testimony, Pawlowski had taken a total of \$85,435 from the State Bank and \$56,062 from the First National Bank. Further testimony showed he had executed additional contracts to take care of what he already owed.

Judge Van Duesen said he did not see what would be accomplished by levying a fine and indicated it would be up to the banks to file any civil case to try to recoup what is owed them.

\$20 Counterfeits Appear In Antioch

Two \$20.00 counterfeit bills have been taken in by the State Bank of Antioch in the last week. The bills carry a series number beginning F481-019 and seem to be the same as were circulating in Antioch last July.

The paper is different from that used on regular bills and green ink does not rub off of these counterfeit bills.

A gasket at the bottom of the water tower started leaking Friday, but in order to fix the leak properly, the tower must be drained. Village officials say this will be done as soon as the weather gets warmer. Meanwhile, Antioch's needs are well taken care of by its other water tower Northeast of town.

Channel Lake Girls Play Hookey Friday

Police And Plane Help In Search

Dawn Sorby, 9, and her sister, Debra, 6, were the objects of a four hour search by neighbors, friends, state and sheriff's police Friday.

The two girls failed to arrive at Channel Lake Elementary School Friday morning and when their absence was noted by Principal Harlan Ware, he drove over to the Sorby home at 10:45 a.m. to try and find out what had happened to the girls.

Their mother, Mrs. Arthur Sorby, of Route 3, said the girls had started off for school as usual Friday morning.

Mrs. Sorby got in touch with her husband, who came

Reckers Chairman of '68 Local Red Cross Drive

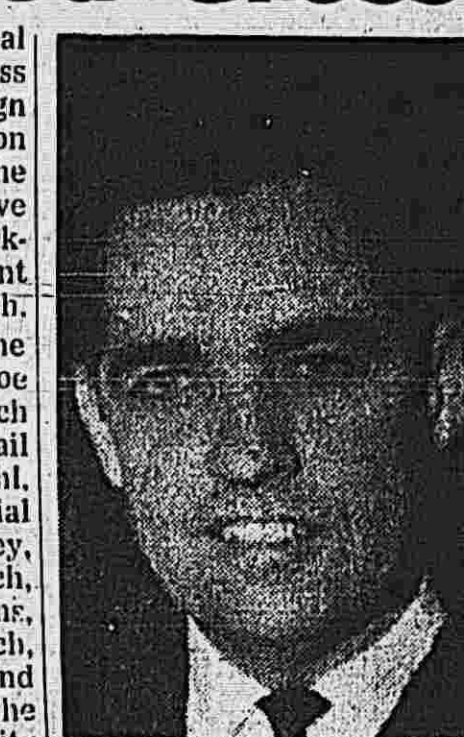

"Antioch township's goal in the American Red Cross March 1968 Fund Campaign is \$1,500, announced Preston Reckers, Jr., chairman of the 1968 Red Cross fund drive for Antioch Township. Reckers is assistant vice-president of the State Bank of Antioch.

Assisting Reckers in the Antioch drive will be Joe Beemsterboer of Antioch V&S Hardware, as Retail Chairman; Everett Oftedal, Frostee Foam Co., Industrial Chairman; Mrs. C. P. Tossey, 462 Windsor Drive, Antioch, and Mrs. Robert L. Burns, 401 Windsor Drive, Antioch, Residential Co-Chairman and Mrs. Harold Gaston of the Antioch News, publicity chairman.

The nationwide drive for funds for the Red Cross will be geared to the theme of "SOS—Support Our Servicemen" and the slogan "Help Us Help."

"The funds contributed here," said Reckers, "will be used to support the chapter's local services and to provide its share of financing the expanding national Red Cross programs, especially its services to the armed forces and veterans."

Antioch township has had an average of about 50 servicemen in Vietnam throughout the past year. Because of the greatly increased cost of serving U. S. servicemen in Vietnam and because of a series of major disasters, the Red Cross has been forced to

Preston Reckers, Jr., Assistant Vice-President of the State Bank of Antioch who is 1968 American Red Cross fund drive chairman for Antioch Township.

ask the American people for the largest sum of money since World War II—\$121,624,000.

The main job of the American Red Cross is not providing coffee and doughnuts to the servicemen. Red Cross First Aid courses are offered throughout the country. All members of the Antioch Rescue Squad were trained by the Red Cross. A training course is being offered right now in Antioch under the direction of Dan Dugenske. It is difficult to estimate the

number of lives saved, thanks to Red Cross Training.

The swimming courses, offered at the Antioch Aqua Center, under the supervision of swimming instructors from the Red Cross, is another outstanding Antioch Red Cross program. The cost of these lessons would be greatly increased if it were not for the help of the Red Cross.

Red Cross First Aid courses on water safety are also offered in the lakes area. In April, 1967, a tornado

(Continued on page three)

Junior College Board Seeks Office Space

The Lake County Junior College Board, through its attorney William Hartnett is completing lease arrangements to locate the board office in the St. Therese School of Nursing, Waukegan.

The board will rent the 750 square foot office space for two years with a 90-day notice clause for terminating the lease within the two years.

The board will meet at 7:30 p.m. Thursday to discuss temporary classroom facilities for the junior college.

Rural Antioch Man Killed In 2-Car Crash

Gen J. Nixon, 43, of RFD 2, Antioch, was killed last Friday night in a head-on crash on Rte. 120 at the Tri-State Tollway.

The accident occurred shortly before 8 p.m. as Nixon was driving west on Rte. 120 in the eastbound lane, according to sheriff's deputies.

Nixon's auto collided with an eastbound car driven by Kenneth H. Grubb, 20, of 31 S. Slusser St., Grayslake. Both Grubb and his wife, Cherie, 18, were injured in the crash and taken to St. Therese Hospital, Waukegan, for treatment.

Grass Lake PTA To Pack For Vietnam

Grass Lake School PTA will help with the packing and mailing of Project Vietnam packages on Monday, March 4, at 7:30 p.m. in the school gymnasium.

Donations of money, ballpoint pens, wrapped hard candies and paper back books will be very welcome.

Project Viet Nam received a letter this week from Mrs. Winsor W. Warriner, of Peoria, Ill. She wrote: "Dear Mr. Wolf: I have been reading with very deep interest of the wonderful work the residents of Antioch have done toward the Vietnam Project. You have good reason to be proud of your village. I am enclosing a check, hoping it will help in some small way."

Mrs. Warriner enclosed a \$10 check for Project Vietnam. Donations have also been received from Frank ReCupido, Mrs. Bob Harts, Mrs. Ilanke, Mrs. V. C. Hawks, Mrs. Rosquist, First National Bank, Laura Swanson, Mrs. Dolores Abderholden, Mrs. Kenneth Young, Arthur Price, Mr. Lasco, Winsor Dalgard, (Lake Villa), M. Fitch, State Bank of Antioch, Mrs. Fleet M. Perkins (San Francisco, Calif.), Mrs. Bywell, Mr. and Mrs. Walter

Henning, Mrs. Olson, Mrs. Walter Buchert, Bob and Irene Griffin, Irma Hostetler, Mrs. Paul M. Ferris, Mr. and Mrs. Glenn Fox, and Pickard Inc.

A letter was also received from the Nursing Staff of the 667th Evacuation Hospital acknowledging receipt of two gift packages, contents of which were distributed throughout the hospital wards to many grateful and appreciative patients.

Home Needed For Foreign Exchange Student By American Field Service

An informal meeting of the Antioch Adult American Field Service Chapter was held at the home of president, Beverly Sorenson on February 13, to discuss new officers, and home applications for a foreign exchange student in the 1968-69 school year.

Mrs. Sorenson urges that anyone interested in offering their heart and home to a foreign student in the coming year, please contact her im-

mediately, 395-4017! Applications are due in New York this month.

The adults and students of the Antioch A.F.S. are proud to have sponsored three foreign exchange students in 1965, 1966 and 1967. They hope to have another arrive in August of this year.

The A.F.S. needs the active support of the people in the Antioch High School district to keep this worthwhile program alive in this area.

Will Seeks Spot As GOP Delegate

Attorney Robert P. Will, Jr., has announced his candidacy for the post of alternate delegate to the 1968 Republican national conventions scheduled for Miami.

Will is seeking the spot in the 12th Congressional District consisting of Lake and McHenry Counties and two townships in Cook County.

The Zion attorney is run-

ning on a "Voters' Preference" ticket with Irl H. Marshall, well-known industrialist and civic leader from Highland Park.

Will is a member of the Lake County Republican Party and is a past director of the Lake County Shrine Club and the Zion Lions Club.

He is also a member of the Lake County Republican Federation and the Zion-Benton Young Republicans Club. He lives at 2215 11th St., Winthrop Harbor with his wife and daughter.

Local Firms Help Occupation Program

The Diversified Occupation program at the Antioch Community High School continues to be encouraging. Faculty Supervisor Adrian Mueller lists 22 students participating, the occupation, and training station, as follows:

*Louis Aerne, Auto Mechanic, Hucker's Garage; *Charles Bethman, Plumbing, John Cribb Plumbing; *Walter E. Boslick, Partsman, John Teresi; *Bob Benson, Auto Body Repair, Yde's Auto Body; George Broecker, Printer, Lakeland News; Beverly Calloway, Nurses Aid, Conell Hospital; James R. Clark, Partsman, Behning Auto Parts.

Frank Curneal, Shipping Assistant, Pickard Inc.; Don Evans, Draftsman, Expanda

Foam; Don Fencil, Model Maker, Expanda Foam; Bruce Gussarson, Welder, Antioch Welding; Cindy Hensley, Information Operator, Ill. Bell Telephone; *Charles Jenkins, Auto Mechanic, Lyons & Ryan Ford; Marsha Kleckl, Floral Arranger, Ralph's Greenhouse.

Gordon Liptow, Dool & Die, Glen Tool, Inc.; Allan Kriesant, Machinist, Victory Carbid; *Keith Maier, Auto Mechanic; Fred Maier, Ron Nielson, Serv. Maintenance Northern Co., J. Heick; *Daniel C. Toman, Draftsman, Prestige Metal Products; Joy Volsted, Dental Assistant, Dr. Richard Bielec; Terry Wells, TV Repair, Economy TV; *Charles E. Wilder, Draftsman, Glen Tool, Inc.

*Denotes Seniors.

Stern Seeks Democratic Delegate Nod

Herbert L. (Hub) Stern, of Highland Park, today announced he is a candidate for delegate to the Democratic national convention.

Stern, long active in Democratic affairs in the 12th District, was a candidate for Congress in 1966.

An attorney and business man, Stern has long expressed an interest in foreign policy and economic assistance to underdeveloped countries.

He is also concerned with control of air and water pollution, civil rights and urban problems. Stern is a partner in the law firm of Gottlieb and Schwartz, specializing in corporation law. His wife is an assistant supervisor from Deerfield Township.

WEATHER REPORT

Total Snow This Season: 25.2"

Remarks: Not much to be said about last week's weather except that it has been quite clear and cold. Friday and Saturday we had strong winds from the west running from 20-35 M.P.H. That wasn't enough to stop the ice fishermen who were getting good catches of catfish and striped bass on Channel and Lake Catherine.

Weather observers frequently (not so in my case) receive requests for information about climate. Sometimes the questions are routine, such as "How much rain did we have last night?" or "What was the lowest temperature last week?" This is being covered by this paper in the "Past Week's Weather" but my offer still stands and if you have a question that can't wait for a week a call will get you the answer as soon as possible.

I had a call the weekend before last from a lady who had some damage from the wind and she wanted to know "When did we have strong winds?" All she could tell me was "It was sometime in the early fall." If this should happen to you, make note of the date, time, weather conditions such as hail, rain, thunder, lightning, etc., and I will do all I can to verify your statements.

Your Congressman Reports....

By Cong. Robert McClary

Foreign affairs have replaced domestic issues as the chief concern of Congress and the nation. No amount of official explaining can explain away the fact that our nation is in deep trouble on the international front. When the President and others who direct our foreign policy declare that they "expected" disastrous occurrences, such as the recent offensives against the cities of South Viet Nam, there is reason to ask: "Well, why, then, were we taken by surprise?"

Members of the Congress—both Republican and Democratic—have recognized the President's constitutional prerogative to initiate and direct the nation's foreign affairs. Virtual full support of military policy and almost complete support of non-military policy have been evidenced by congressional approval of authorization and appropriation bills, treaty approval, adoption of concurrent resolution, and in other legislative and non-legislative actions.

Sharp disagreements with Administration foreign policy have been expressed by only a handful of Members of the Senate and even fewer Members of the House. However, there have been frequent references to the "credibility gap," "vacillation," "inefficiency," "extravagance," and instances of "too little, too late." Such criticisms relate not to overall policies but to the execution of policies already adopted. These criticisms appear now to be substantially justified.

Congressional investigations disclosed concealment from the Congress and the public of information unrelated to our national security. The Congress exposed the tragic deficiency of the M-16 rifle. A committee of the Congress revealed corruption and defalcations in the administration of our civilian AID program in South Viet Nam. Further congressional inquiries undoubtedly will reveal shocking failures in the Alliance for Progress—a program which was aimed at "strengthening" our position in South America.

The Executive Branch also will have to explain the mistakes which resulted in the recent capture by North Korea of the Navy intelligence ship, U.S.S. Pueblo, together with the reported loss of highly secret and sophisticated equipment and a crew of 83 officers and men.

Congressional criticism is not enough. Indeed, when the political party which controls the Executive Branch also controls the Legislative Branch (the two Houses of Congress), even congressional investigations can have only limited value and effect. Democratic leaders are inclined to "pull their punches" when they find themselves obliged to criticize fellow Democrats in the Executive Department.

In a recent article entitled "Policy and the People," Governor Nelson Rockefeller of New York declared, "The Governor, the most interesting races in the GOP primary could well be for delegate and alternate delegate to the GOP national nominating convention."

The race not only offers candidates who are willing to state they are for a particular candidate, but there is a wide range of ages of candidates.

Personally, we welcome the determination of young men to get involved in the convention race because the Republican Party needs some transfusions and some appeal to young voters.

And yet, somehow, it seems a sad thing when the young men lean to the more conservative candidate, while the older delegate aspirants seem to prefer the moderate or, you should pardon the expression, liberal candidates. The conduct of foreign policy vividly illustrates... the need

ALONG THE WAY with Annie Mae

Congratulations

To Phil and Kathy Clione on the arrival of a little girl in pink. Kathy is better known as one of the girls from Flo's Beauty Shop.

"Why Don't They Visit..." For those that attended the Grade School Band Concert, it was well worth it. "Where were all you parents?"

Moving In—Ed and Irene Jacobs moved into their lovely new home on Harden St., just two doors from their previous home. Roger and Carol Leaf and their two sons will be making the latter their permanent residence.

Spare Time, Anyone? Got word this week the Downey Hospital needs volunteer help for any phase of hospital work. If interested ask for Mr. Clark when calling.

Put to the Test That new fire truck certainly got broke in in royal fashion this past week, with about ten fires.

Till next week,
ANNIE MAE

This Story Smells!

Petunia lay dead on Grass Lake Road, near Drexel Blvd. Wednesday morning. She was a pretty skunk—sleek fur—but that's all the good we could say about her. What she did to the atmosphere of the neighborhood was quite another thing.

We discovered that the County Highway Department in Libertyville were the ones to contact regarding dead animal removal on Grass Lake Road.

Had Petunia been killed on Ackerman Road or any township road, Antiach-Township Highway Department would have taken care of her remains.

One question—What if her demise had occurred at the junction of Ackerman and Grass Lake Road—with half of her on each highway? Would two trucks arrive—and would vivisection take place?

Mundelein Firm Cited By Wirtz

Secretary of Labor Willard Wirtz has asked the U. S. District Court in Chicago for an injunction against violations of the Fair Labor Standards Act by Northfield Block Co., Rte. 60 and Soo Line tracks, Mundelein.

The complaint alleges that the firm has been violating the overtime and recordkeeping provisions of the Act—the federal wage and hour law.

The complaint alleges that many of the firm's employees have not been paid at time and one-half rates for periods worked over 40, 42, and 44 hours in a week respectively, and the firm failed to keep adequate and accurate records of employees and their hours as required by the Act.

The legal action followed an investigation by the Labor Department's Wage and Hour and Public Contracts Divisions under the supervision of Gerald J. Mitchell, Regional Director.

to establish a larger framework of objectives, purpose and concept if we are to act constructively." The Governor further declared that "It is the task of leadership... to make certain that the public understands the fundamental... considerations on which our strategic position depends."

This is certainly not a time to look for scapegoats. However, it is a time to (a) seek peace in the world, (b) regain respect for our nation and (c) promote freedom for all people. This is the lofty ideal which has been set by most Americans as the nation's true "foreign policy."

It is high time to restate these broad objectives, goals and purposes and to make this policy abundantly clear to the entire world—friend and foe alike. It is essential also that the public understands both the policy which embodies these objectives, purposes and goals and the full facts upon which this policy is based.

Lake Co. Artists To Have Art Show

Amateur artists in Lake County are invited to submit their original paintings and other art items in the eighth Lake County Town and Country Art Show. The show will be held in the Farm Bureau Building on the Lake County Fair Grounds, Tuesday and Wednesday, March 26 and 27. It will be open to the public from 1:00 to 10:00 p.m. on March 26 and 9:00 a.m. to 9:00 p.m. on March 27.

Two separate exhibits will be held, including those of artists of high school age and older, and those below high school. All entries will be judged by three competent judges selected by the University of Illinois.

Artists may submit up to three different original paintings or other art items made during the past year. Paintings may be in oil, water colors, pencil, charcoal, pastels, ink or any media on paper, canvas, or flat surface. Ceramic pieces, metal enameling, wood carving, weaving, and other handicraft items can be entered.

A complete list of rules and procedures can be obtained by writing the Lake County Extension Advisers, Ray T. Nicholas, P. O. Box 267, or Helen Volk, P. O. Box 356, Grayslake, Illinois 60030.

This show is sponsored by the Lake County Agricultural and Home Economics Cooperative Extension Service of the University of Illinois. Last year's show drew a total of 55 entries by more than 200 amateur artists.

Commonwealth Edison Co. Promotes Hughes & Brown

John H. Hughes has been appointed Waukegan District superintendent of Commonwealth Edison Company, succeeding Norman E. Brown, who has been promoted to assistant to the division vice-

Dresden nuclear power station. He is a graduate of Loyola University of Chicago.

Brown has been superintendent of the Waukegan district since 1961, following service in the same capacity at Highland Park. During his 40 years with Commonwealth Edison he has held various managerial positions in industrial development and sales promotion. A registered professional engineer, he is a graduate of Iowa State University.

He is a director of the Waukegan - North Chicago Chamber of Commerce, a director of the Lake County Urban League and a member of the Rotary Club of Waukegan. His other affiliations include the Union League Club of Chicago and the University Clubs of Evanston and Waukegan.

Patricia Yates Is Make-Up Distributor

Patricia Yates, of Rock Lake has just returned from Atlanta, Ga., where she studied cosmetology and make-up techniques, at the Viviane Woodard Academy.

She is now a distributor of the cosmetics, a qualified make-up artist and will be available for demonstrations for women's clubs and organizations.

Pat is the wife of Ronald Yates, who is an employee of the Antiach Post Office. Her future hopes are to open a shop in Antiach.

Realtors Will Hear Of "Con-Con"

The controversial Constitutional Convention question will get the full treatment next Monday night at a dinner meeting of the Waukegan-Lake County Board of Realtors beginning at 7 p.m. in the Adria Restaurant, North Chicago.

Speaking in favor of "Con-Con," which will be on the ballot in November will be State Rep. John S. Matijevich, D-North Chicago.

The opposing view will be given by State Rep. W. J. Murphy, Petite Lake, and also a real estate man.

Agronomy Handbook Available To Public

The new 1968 Illinois Agronomy Handbook is now available and may be obtained at the office of Lake County Extension Adviser, Ray T. Nicholas, on the Lake County Fair Grounds.

This Agronomy Handbook provides the latest information on corn, soybean, wheat, oats, and hay, silage, and pasture production. It also contains sections on soils and soil fertilizer, and weed control.

This 38 page circular may be obtained at the Extension Adviser's office for 25 cents, or will be mailed postpaid for 35 cents.

Junk Car Test

The Village of Antiach, by its own volition, is going to get tested on its recently passed junk car ordinance.

It seems there are three residents of the village who apparently are in violation of the newly adopted ordinance.

Junk cars are littering the property creating an eyesore.

But the village, in our opinion, is taking the correct way to solve the problem.

Instead of sending the tow trucks wheeling up on North Avenue to pull away the debris, the village is giving out a warning.

Letters are being sent out to the three alleged violators giving them time to take some action for themselves.

This is sensible and will not create any bad feelings that could come if our police force had to go up and arrest the violator.

This could happen if the violator doesn't comply with the written request.

This method will also give our new police chief time to get his feet wet in his new post.

It is to his credit to note that it was he who brought the matter to the attention of the village fathers.

Work Program

The Department of Labor plans to move 114,000 people off welfare rolls into training programs and jobs in the next 18 months.

We are one of the first to laud this action.

Too long have the welfare rolls been swollen with able bodied citizens who could, and should be gainfully employed.

The process will be accomplished under the 1967 amendments to the Social Security Act calling for a Job Incentive Program.

Labor Secretary Willard Wirtz estimates that 32,000 men, women and out-of-school youths over 16 will be in training or be employed by the end of 1968 and another 82,000 could be placed into training by 1969.

One of the biggest expenses today in our state government is care for those receiving various forms of welfare.

One good thing about the program is that an individual referred and refusing to participate without good cause may have his or her welfare payments cut off.

The program will begin on July 1.

Courthouse Notebook

By Lou Durkin

Lake County, with some 35,000 to 40,000 votes available for the Republican primary June 11, could be a key factor in the nomination of a Republican candidate for Governor, but chances are the local votes will be scattered so evenly among the three top contenders its strength will be wasted.

John Henry Altorfer, the Peoria industrialist, made some early appearances in Lake County and a Citizens Committee was organized last summer, but so far its actions have been closely guarded secrets.

Republican Central Committee Chairman Robert J. Milton was an early thumper of Altorfer drums and probably will be in his camp personally even if he cannot lead the entire committee to a stance for Altorfer.

County Coroner Orville (Pat) Clavey is another Altorfer backer of stature and will undoubtedly have considerable influence in lining up Altorfer support.

Cook County Board President Richard Ogilvie has been entertained by State Representative John Conolly, of Waukegan, who is in the Ogilvie corner and the grim-visaged former sheriff will probably have strong support along the North Shore which has always been Chicago-oriented in its political and social life.

With Rep. Conolly backing Ogilvie it is no surprise that State Rep. W. J. Murphy, who will be a candidate for a seventh term, should come

out strong for former Governor William G. Stratton.

Many former Stratton supporters have semi-retired from politics, but they are doffing their carpet slippers to return to the wars at the former governor's behest and their backing could be vital in carrying the county for the one-time county resident.

So far there has been little evidence of strong support for State Senator Arthur Gottschalk, but then he hasn't campaigned his area very strenuously.

It's probably unfortunate that Lake County doesn't have a strong party leader who could get the word out in favor of one candidate.

If this were the case an aspirant for Governor or U. S. Senator might be inclined to consider an arrangement whereby Lake County would get some much-needed funds for highway construction and improvement, some funds for improving the navigability of the Chain O' Lakes, and other goodies, up to and including a state university.

An area that can't deliver for a candidate rarely has a strong talking point when it comes time to spread around money for state projects.

While we have always found the state-built lodge at the Illinois Beach State Park an architectural abomination, it is an indication that Gov. Stratton felt he owed Lake County a political debt and this was a way of satisfying it.

AARP Offers Income Tax Info Feb. 27

Plans are being made for the Tuesday, Feb. 27, meeting of the Antioch Area Chapter No. 387 of the American Association of Retired Persons. A member of the Waukegan office of the Bureau of Internal Revenue will give a talk on income tax information at this meeting.

Sixty-five people attended the AARP meeting last week. A report was given by the committee appointed to check into the possibility of having a low rent housing project built in the Antioch area for the benefit of the elderly citizens.

The committee attended a meeting of the Lake County Housing Authority at North Chicago recently and got a briefing as to the legal phases in connection with a low rent housing project for the Antioch area.

They were informed that the present allotment of federal funds have all been allocated for projects within the county and with additional funds expected to be set aside by the end of the fiscal year in June. The committee was advised to go ahead and present the required resolution to the Antioch Village Board in order to have a survey made in the Antioch area for such a project.

Harold Lindberg, John Mulac, Mrs. Joseph Anetsberger, Mrs. Clara Johnson and Mrs. Harrietta Pirson were appointed as members of the nominating committee to be voted on at the March 5 meeting.

The membership chairman reported a total of 115 members.

Landscape Specialist on Program

A color slide program on European Art, including sculpture, landscape design, and floral gardens will be given Monday, Feb. 26, at 8 p.m. in the Farm Bureau Auditorium on the Lake County Fair Grounds, Rte. 45, 1/2 mile north of Rte. 120.

This program, to be presented by W. R. Nelson, Jr., landscape specialist of the Extension Service of the University of Illinois, is based on many pictures taken and observation made during a six months' tour of several European countries this past summer.

Nelson is one of the nation's leading landscape design experts and the author of a best-selling landscape book, "Landscaping the Home Grounds." He recently completed a series of publications on landscaping public areas.

This program, featuring Nelson, is sponsored by the Illinois Society for the Appreciation and Preservation of Fine Arts and the Lake County Agricultural Extension Service.

In addition to Nelson's presentation, there will be a showing of selected works by Illinois artists in recognition of the Illinois Sesquicentennial.

The program is open to the public and all interested parties are invited to attend. A registration fee of 50c will be made at the door.

Students View Film Examining Payment Deficit

A specially produced film titled to examine the nation's current preoccupation with the balance-of-payment deficit will be presented in 500 public and parochial schools in February by Commonwealth Edison Company.

"Crisis in Gold" depicts the issues and problems behind the dollar drain that are pressing the government to re-evaluate many of the nation's traditional monetary policies in an effort to halt the flow of gold overseas.

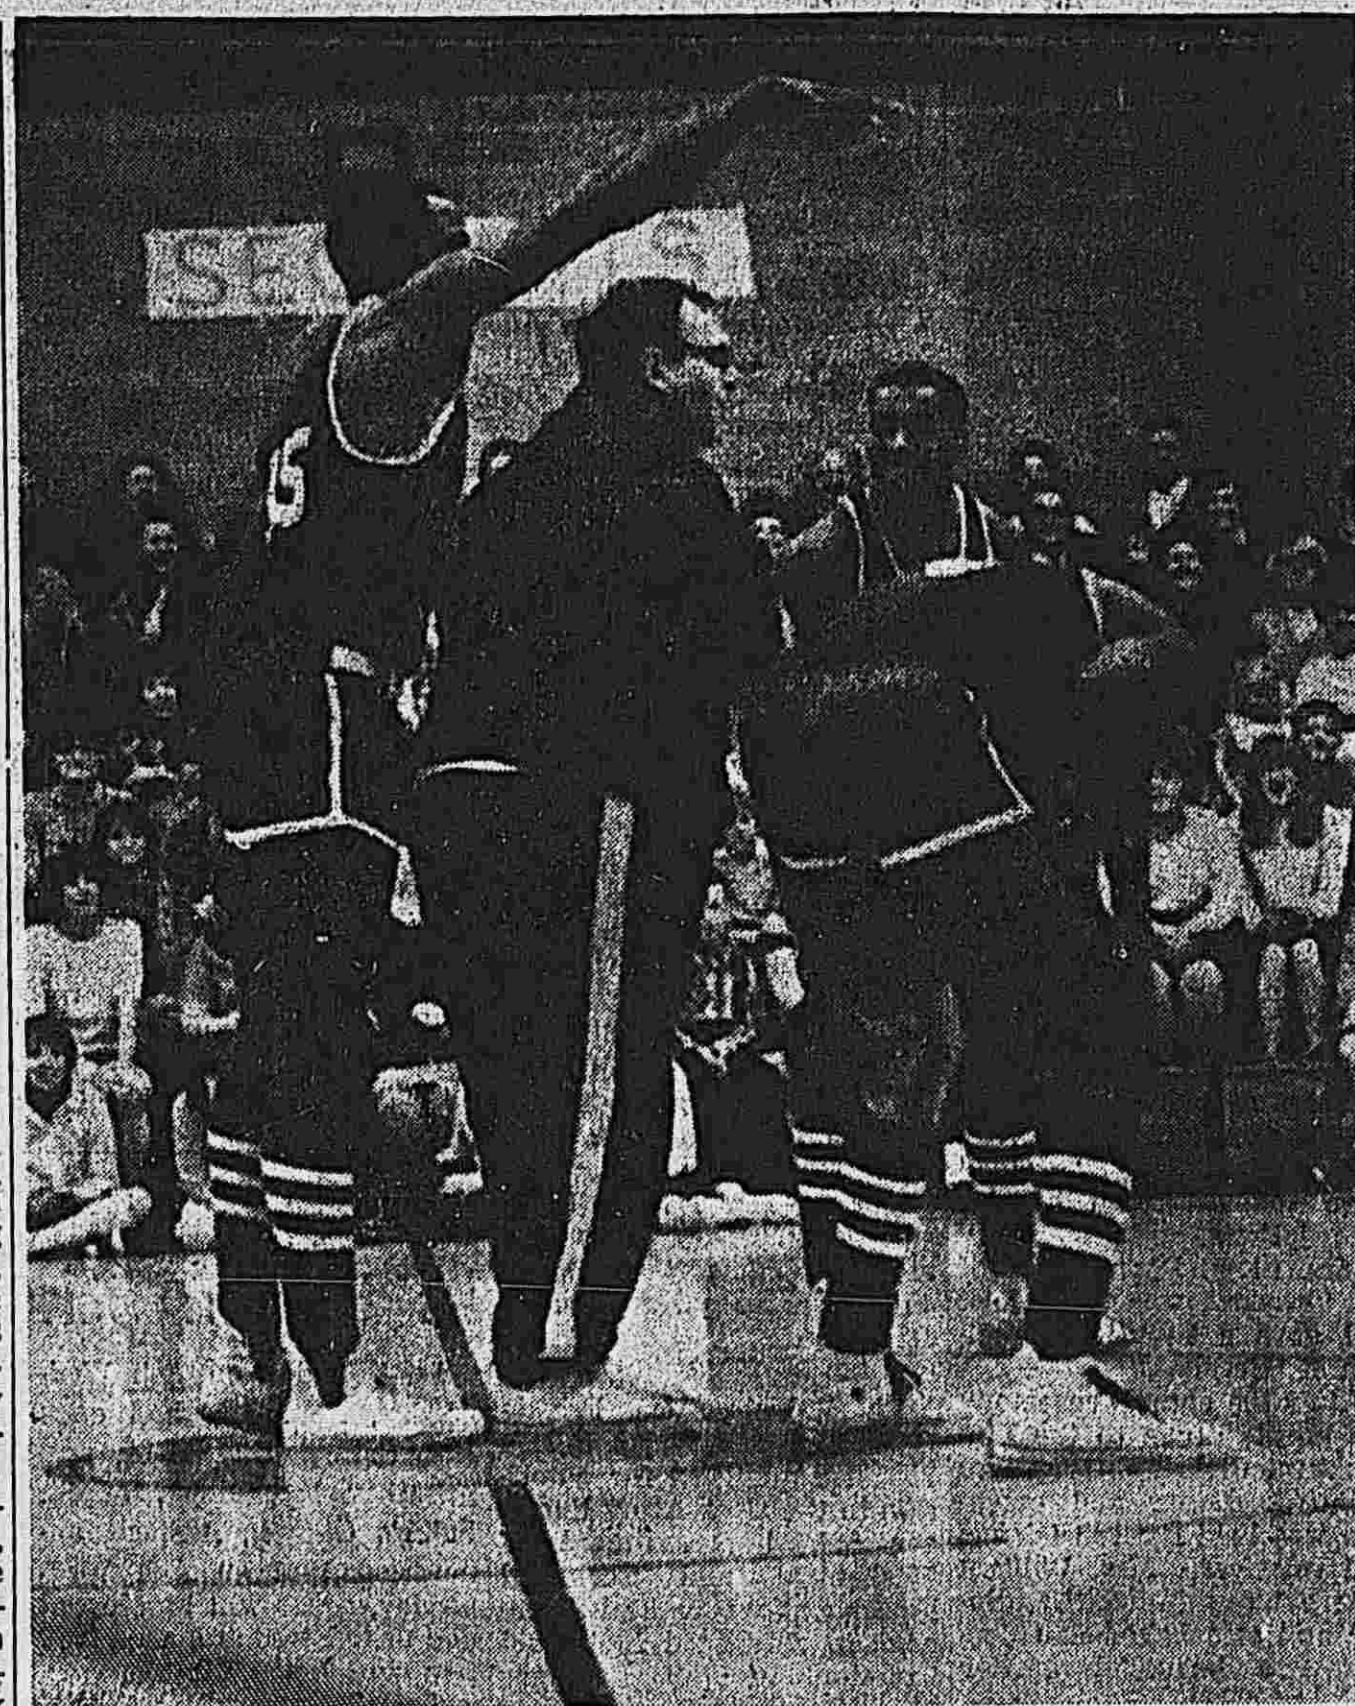

The documentary is the sixth in a series of ten Screen News Digest films being sponsored by Edison this year as a public service.

"Nearly 200,000 students in Chicago and northern Illinois view the documentaries each month," Edward Menke, Edison director of public relations, said.

"We feel that the presentation of this film is in keeping with the philosophy of Screen News Digest to analyze the 'now news.' Films such as these bring into focus contemporary events that have meaning for citizens on every age and educational level," he said.

Since 1965 when Edison began sponsoring Screen News Digest, a half-million elementary and high school youngsters have seen the films. About 110 schools in Edison's northern division, which extends from Chicago's northern city limits to the Wisconsin state line and from Lake Michigan west through half of McHenry County, will receive Screen News Digest.

Menke said the films are also available to public and civic organizations on request to Edison local headquarters offices.

Walt Soderman of Oakland stands tall, but not tall enough as Ezell "Mule-Man" Keeton, of Harlem Clowns 6'8" towers over him, at ACHS faculty basketball game Thursday night.

Fire Destroys Cow, Calf, Barn

Antioch and Lake Village fire departments joined in a call at the Mae "M" O'Brien farm on Town Line Road, Saturday.

Mrs. Ivan Makolondra, who lives on the farm, noticed smoke coming from the barn, and immediately called the fire department.

Two ponies were saved, but a calf died in the blaze and a severely burned cow had to be destroyed.

The barn was a total loss, but firemen managed to save a nearby shed.

Heroine of the day was Darlene Johnson, a sophomore at Antioch Community High School. Her cool head and quick thinking saved the Makolondra car which was in the barn.

Origin of the fire is unknown.

ACHS Grooming Code Revised Many Times

Antioch High School's grooming code has been criticized on several occasions this past year by a minority of parents and students, mostly directed at the length of skirts for girls and the length of hair for boys.

The current policy on length of skirts is four inches above the bend of the knee. Boys are required to have crew cuts or short hair cuts normally worn by teen-age boys.

Antioch High School's grooming code is not the making of any one person, but has been developed through the efforts of many people. It originated about 15 years ago when parents, students, board members, teachers and administration felt a code was necessary.

The code has been revised many times through the years by the student council, teachers, board members and the administrator, working in cooperation with each other.

Since the grooming code has evolved in the manner it has and will continue to change with the times through orderly procedure, parents and students are strongly encouraged to cooperate and abide by the code.

The Red Cross has been in action wherever disaster strikes—giving quick help and aid to those in need.

Anyone wishing to volunteer his services in this drive should contact Mr. Reckers, 395-0780 or 395-2700.

Antioch High Drop Out Rate Near 10%

The student drop-out rate as of Jan. 26, 1968 at Antioch High School is 2.3%. If the rate holds for the remainder of the school term, it will compare favorably with the low drop-out rate of the past.

The counseling department indicates that the four years drop-out rate has been slightly less than 10% for the past several years.

Reckers Chairman

(Continued from page one)

struck suddenly, not too far from Antioch in nearby Lake Zurich. A total of 255 families suffered loss or damage to their homes.

Within 30 minutes after the tornado struck, the American Red Cross disaster committee was in action and their untiring efforts continued for the next 12 days.

Funds contributed to the Red Cross by the people of Antioch and Lake County helped the Red Cross with their aid to these unfortunate victims.

Food, clothing and shelter were provided; rehabilitation aid (building and repair of owner occupied homes, household furnishings, medical aid, occupational supplies and equipment) initial damage survey, as well as food were offered to the disaster victims.

Antioch Well Off... Deerfield with 17,245 population has only four doctors and Zion with 14,100 people has six doctors.

(Continued from page one)

Antioch with 2,778, has six doctors; while Wauconda with a population of 5,343 has only two.

Lake Zurich with a population of 3,851 has four doctors and Fox Lake with 3,886 people has only three doctors.

AGS To Get...

(Continued from page one)

Campus on Feb. 28. Supt. Whitacre, school board members, cooks and school nurse will attend a State School Lunch Workshop program Feb. 29 from 4:30 to 8:30 p.m. at West Campus Waukegan High School. The workshop will cover the efficient operation of a modern school cafeteria. The school board authorized the purchase of three reading laboratories from Science Research. These will be used in the primary grades, one for Channel Lake School, one for Oakland and one for Antioch Grade School.

The Board received an Immunization Survey Report dated Dec. 14, 1967. 1143 forms were sent out by School Nurse Mrs. Revilla Harmon. 912/3 of the Antioch Grade Schools' students had never received basic diphtheria, pertussis, tetanus immunization; 7 1/2% had never received a smallpox vaccination; 6 1/2% have never received a measles vaccination and 17% had not received oral polio immunization.

Central Hi Team In Forensics Contest

The Salem Central Forensic team welcomes the public to their local forensics contest on Tuesday, Feb. 27, at 7:30 p.m. at the high school. The students who place either first or second in their particular category will be eligible to compete in the Southeastern Badger sub-district meet at Kettle Moraine on Tuesday, March 30 at 4:30 p.m.

A group of the participants will journey to Lake Geneva's Badger High School to enter the invitational forensics meet this Saturday, a preliminary to actual regional competition.

About 80 participants are in this year's program. The various categories allow students to participate where they feel most qualified and competent.

In Pamphlet For Parents

For parents seeking ideas for their youngsters' vacation activity and for young people looking for summer employment, a new directory listing more than 50 of the leading midwestern boys' and girls' summer camps has just been published by the Midwest Association of Private Camps.

The directories are now available, without charge by writing to the association at 1889 A Bosworth Lane, Northfield, Ill. 60093.

Symbol of Better Health

Rx Stands For Prescriptions

There are many theories regarding the origin of the symbol, "Rx"... one claims that it is an abbreviation of the Latin word "recipe." Whatever its origin, the "Rx" today symbolizes the prescriptions that help us attain better health, longer life.

American Legion Auxiliary News

By Del Jahneke

Mrs. Bernard Stadick, Antioch Unit President, accompanied by Mrs. Ray Rathmann, District Treasurer; Mrs. Edward Jahneke, District Publicity and Communications Chairman; Mrs. Myra Randall, Mrs. Burt Anderson, Mrs. Lester Zilkus, Mrs. F. A. Swenson, and Mrs. Walter Hills, delegates and alternates, attended the 10th District American Legion Auxiliary meeting held at the Grayslake Legion Home on February 14th.

Mrs. Ted Odom, Libertyville, District Americanism chairman, introduced Lt. Serge Dube, U. S. Marine Corps, who was the featured speaker. In his talk Lt. Dube stressed the fact that our armed forces must be in Vietnam, and must fight to win. "If our country concedes defeat to the Viet Cong communism will then engulf the rest of Asia. Then it would be only a matter of time before the whole world would be under communistic domination," states the lieutenant. "A question and answer session revealed the information that the Vietnamese people are mostly illiterate, and in many respects, a primitive people. However, the U. S. Services have provided many schools, given medical aid in many other respects, have already aided the Vietnamese to a better understanding, and better living conditions. A thunderous ovation concluded Lt. Dube's talk.

The Department President, Mrs. Stanley Lofgren, was the guest of honor. Mrs. Lofgren commended the 10th District American Legion Auxiliary on their excellent participation in all the phases of the Illinois Auxiliary programs. She particularly complimented the District Coupon Chairman, Miss Jacqueline Watters of Grayslake, on the large amount of coupons collected. Mrs. Ralph Fields is the Antioch Unit coupon chairman and this unit is doing its share in this program. Mrs. Lofgren was happy to hear the report of the District Membership chairman, Mrs. Richard Brady of Gurnee, 10th Dist. American Legion Auxiliary now has attained 91% of its membership goal of 2,330 members in Lake County.

The Antioch Unit surpassed its membership goal in September, with Mrs. John W. Horan, Jr., as chairman.

Mrs. Lofgren further emphasized the importance of the entire American Legion Auxiliary building a maternity hospital in Malaysia. This hospital is now under construction at Gombak, Malaysia, 80 miles from the capital. The project is under the supervision of the U. S. CARE-MEDICO TEAM. The problem of providing medical care for mothers and babies in this isolated area, where the mortality rate is high, depends upon contributions from all Auxiliary units. Mrs. Ed Jahneke, 2nd Division Foreign Relations chairman, urges both junior and senior Auxiliary members to enter this "Visiting Malaysia" contest. The deadline date is May 1, 1968. Mrs. Frank Kennedy, Sr., is the Antioch Unit Foreign Relations chairman.

The Department Legislative chairman, Mrs. Alice Larson of Evanston, was also present. Mrs. Larson mentioned that she was glad to note that nearly all Lake County Units subscribe to the National Legislative Bulletin and that nearly all units have talks on both state and national legislation. Mrs. Myra Randall, unit legislative chairman, stated that the Antioch unit has subscribed to this Bulletin for many years, and attempts at all times to keep their members well informed about measures essential to the nation's security from attack, and to assist in promoting legislation pertaining to the veteran.

Mrs. William Franzen, Vernon, District Child Welfare chairman, announced that there would be a joint 10th District American Legion and Auxiliary Child Welfare meeting on Feb. 25, at 2 p.m. at the Vernon Legion Home in Prairie View.

Mrs. Onyte Holtzee Home From Hosp.

Mrs. Onyte Holtzee who underwent surgery recently, is convalescing at her home. Mrs. Holtzee wishes to express her sincere thanks to all of her friends, neighbors and to Dr. Thain for the many acts of kindness shown during her stay in the hospital.

Mike and Elaine Wojnowiak, Gail Gibbons and Tom Wojnowiak join in toast at Wojnowiak's 25th wedding anniversary dinner.

Couple Renew Vows On 25th Anniversary

Mike and Elaine Wojnowiak of Bluff Lake Rd., Antioch, celebrated their 25th wedding anniversary on Feb. 10.

A renewal of marriage vows took place at the Antioch Methodist Church with the Rev. Donald Cobb officiating.

Mrs. Wojnowiak wore a sky blue dinner gown with a sequin bodice, and wore a wrist corsage of white roses.

Mrs. William Layton, sister of the "bride," wore a powder blue chiffon floor length evening gown and carried a wrist corsage of white orchids.

Sherry Wojnowiak, daughter of the celebrants wore a

yellow formal, with a wrist corsage of white pompons. Sons Tom and Jackie Wojnowiak, and the "groom" wore tuxedos with powder blue jackets.

Mrs. Lloyd Dean, sister of the "groom," was the soloist and gave a beautiful rendition of "Because."

After the church ceremony the guests drove to the Lindenhurst Civic Center where a buffet dinner and reception was held for 150 friends and relatives. Mrs. William Belz catered the entire dinner and also baked and decorated a beautiful 3 tier wedding cake.

Dance music was provided by the Melvin Lee of Round Lake.

By Lillian Birdsall

With only two and a half months remaining to complete his term in office as the governor of the Antioch Moose Lodge, Warren Andre handed in his resignation at the Loyal Order of Moose meeting held at the Moose Home, Wednesday evening, Feb. 14. Mr. Governor Scotty Birdsall was then placed in the Governor's chair with the approval of the board of officers. Governor Birdsall said that he and his board of officers would continue the work for the good of the Order.

Because there were no couples at the Moose Home Saturday night, Feb. 17 that were celebrating their anniversaries, the attending members all joined in for an

evening of community singing. Mary Cichon, Jerri Polson and Ron Polson did most of the entertaining by singing in harmony.

There were a total of 30 members in attendance at the Legion get-together and pot luck that was held at the Antioch Moose, Sunday afternoon, Feb. 18. Arthur Andersen announced that bids were open for the Past North Moose honorary dinner and it was suggested that the Antioch Moose Lodge should submit their bid. Lester Sperling was elected for the new treasurer with the motion made by Governor Birdsall and seconded by Ron Polson and had the approval of everyone present. Gert Good announced the plans for the coming card party on Saturday evening, March 9. Refreshments will be served. The Women of the Moose will donate the refreshments. Ed Kurtz, Gerry Stoen, Mike Phillips and Pierra Claessens were appointed as alternates for the board of officers. The next Legion get-together will be held in March.

The Men's Style Show and dance will be held at the Antioch Moose Home Saturday evening, Feb. 24. Music will be furnished by the Rhythm Kings and a smorgasbord will be served. An evening of fun and laughter is promised for all who attend.

An enrollment for the Loyal Order will be held on Sunday morning, Feb. 25 with the serving of breakfast at 9 a.m. The Antioch Ritual team will perform the enrollment ceremony. All new candidates are invited to bring their women.

Miss Wendy Kuechenmeister, freshman at New Mexico Highlands University, was recently initiated into Phi Lambda Kappa Social Sorority. Miss Kuechenmeister, the daughter of Mr. and Mrs. Frank Kuechenmeister, 1026 Bishop St., Antioch, is a sociology major and a business minor. She was one of thirteen women initiated into the sorority which will celebrate its 22nd birthday this Sat.

Where The Boys Are

GREAT LAKES, Ill., Feb. 7 — Seaman Apprentice Anthony J. LaBarbera, USNR, 20, son of Mr. and Mrs. Joseph A. LaBarbera of 808 Rustic Drive, Lake Villa, Ill., has completed his two weeks of annual active duty for training at the Naval Training Center, Great Lakes, and has returned to his local Naval Reserve unit.

Naval Reservists receive training in subjects such as naval history and organization, customs and courtesies, ordnance and gunnery, seamanship, damage control, first aid, swimming and survival, shipboard drills and sentry duty. A vigorous physical fitness program rounds out the training.

Returning to his local unit, he will be provided with modern educational & technical facilities, and training under regular Navy officers and petty officers to enable him to become proficient in one of the many Navy technical fields.

Ft. Belvoir, Va., Private Dean A. Pedersen, Rt. 3, Box 765, has qualified for admission to the U. S. Army Engineer School Department of Mechanical and Technical Equipment where he will engage in Advanced Individual Training in the Engineer Equipment Maintenance Course.

This intensive ten-week course is designed to provide Army Engineer soldiers with the skills necessary to repair and maintain all the heavy construction equipment used by Engineer units in the field.

Pvt. Lloyd (Larry) Dean would like to hear from his friends. Larry's address is RA-16911635, Co. A-22, Ft. Leonard Wood, Mo. 65473.

Girl Scout Cookie Sale Starts Friday

"Cookies for Better Girl Scouting" is the theme for the 1968 cookie sale in Lakeview Girl Scout Council. Junior, Cadette and Senior Girl Scouts began taking orders for Girl Scout cookies Friday. Order taking will conclude on March 1 and the cookies will then be delivered between March 22 and April 5.

It is the annual Girl Scout cookie sale that provides the main support for the camping program in Lakeview Council. Though some cookie profit is retained by the individual troops, most of it is used by Lakeview Council to purchase and maintain camping equipment for day camps and troop camping and to keep all camp fees at an absolute minimum.

There are five different types of Girl Scout cookies available again this year. "Pixies" are a buttery, coconut cookie; "Sandwich Cremes" are chocolate and vanilla flavored cookies with creme filling; "Scot-Teas" are a delicate, sugar-topped shortbread; "Savannahs" are sandwich cookies made with a peanut-creme filling; and the "Thin Mints" are crunchy wafers with a minty coating. All five varieties sell for 50¢ a box.

If you are missed during order-taking time, be sure and watch for Cookie Booths in Antioch, Lake Villa, and Lindenhurst during late March and early April.

Chronic cough and shortness of breath are common symptoms of most Respiratory Diseases, which must be controlled if tuberculosis is to be wiped out.

Grass Lake Cubs Hold Blue & Gold Dinner

Grass Lake Cub Scouts Pack 80 will hold their annual Blue and Gold dinner on Sunday afternoon, Feb. 25 at 2 p.m. at Grass Lake School.

Den mothers, Lou Belz, Elaine Wojnowiak, and Joan Pitner, are in charge of the menu, and the mothers' committee will be in charge of the program.

Honored guests will be Mr. and Mrs. John Schockmel and family and Mr. and Mrs. Matt Nolan and family.

Nicki Nissen (third from left) is one of seven Winter Carnival Queen candidates at Stout State University, Menominee, Wis. With the theme "Heritage in the Snow" referring to the university's Diamond Jubilee year, the carnival features ice carving, shaving and tall tale contests, dances and the traditional jalopy races on the ice of Lake Menominee.

St. Peter Church Presents Its Lenten Schedule

Lent begins on Ash Wednesday, Feb. 28, and ends Holy Saturday, April 13.

Father Henderson, of St. Peter's Church, Antioch, announced that on Ash Wednesday, ashes will be blessed and distributed at 8 a.m., 2:30 p.m. and 7 p.m. Masses.

Two Masses will be celebrated every morning during

the Lenten period, at 6:30 a.m. and 8 a.m. Monday through Friday. On Saturdays the Masses will be at 7:15 a.m. and 8 a.m.

Confessions will be heard before 8 a.m. daily.

Every Wednesday at 7 p.m. there will be the Divine Liturgy and sermon. On Fridays will be Stations of the Cross at 1:55 p.m. and 7 p.m.

Antioch Woman's Club Holds Board Meeting

The Antioch Women's Club held a board meeting Monday, followed by their regular meeting.

Announcement of the Cavalcade of Cotton Benefit Style Show and luncheon on April 15 at Lorenz's Smart

Country House was made. It will be for the benefit of the Mental Health Auxiliary. Tickets will be available from members of the Women's Club.

Joe Patrovsky of Antioch Packing House, assisted by Dan McGraw gave a meat cutting demonstration. Two quarters of beef were on display for the ladies, plus a table full of various cuts.

He told how to judge the good meats and from what part of the animal the various cuts come from. He also named the tender cuts and the ones that would need tenderizing.

Samples of luncheon meat, cheese and crackers and different relishes were sampled by the ladies.

The refreshment table was beautifully decorated in the Washington birthday theme.

Cathy Smith

Cathy Smith Capped

Miss Cathy Ann Smith was "capped" at ceremonies held at Our Lady Help of Christians Church, Chicago, on January 28. She is attending St. Anne's Hospital School of Nursing.

Cathy is a graduate of Holy Child High School, Waukegan, and the daughter of Mr. and Mrs. Jack Smith, Felter's Subd., Antioch.

Garden Club Meets Monday

The Antioch Garden Club will meet Monday, Feb. 26, at 12:34 p.m. in the Antioch Savings & Loan Community Room.

Mrs. Elizabeth Curnes will present the program, "History of the Art of Gardening."

Hostesses will be Mrs. William Thompson, Mrs. Fred Ochmann and Mrs. Elmer Christopherson.

Joe Patrovsky of Antioch Packing House gives meat cutting demonstration to members of Antioch Woman's Club at Feb. 19 meeting.

Mrs. Lester Nelson, Mrs. Ted Larson and Mrs. George Hall members of Antioch Woman's Club who served as hostesses at the Feb. 19 meeting. The refreshment table carried out the Washington birthday theme with red, white and blue decorations.

Sorority Pledges Marilyn Bennecke

Marilyn Anne Bennecke, of 224 Burnett Ave., Lake Villa, was recently pledged by Alpha Delta Pi Sorority at Northern Illinois University, DeKalb.

Marilyn is a 1966 gradu-

Marilyn Bennecke

ate of Antioch Community High School and was valedictorian of her class. She is majoring in Art and Anthropology.

Her sister Cathy is a Senior at Antioch High School and she has two brothers, Larry and Gerald who are students at Lake Villa Grade

School. Marilyn is the daughter of Mr. and Mrs. Henry Bennecke, of Lake Villa.

Grass Lake Webelos Visit Waukegan Y

The Grass Lake Webelos pack went to Waukegan YMCA Tuesday night to try for their aquatic activity badge.

Gebelos boys in the pack are Randy Vaughn, Richard Bailey, Roy Morrison, Scott Davis, Larry Grant, Larry Lloyd, Harry Zoll, Donald Hubbard and George Hermanek.

A YMCA counselor was on hand at the pool.

Webelos fathers who took the boys to Waukegan were Mike Wojnowiak, Gary Vaughn, and Paul Morrison.

MRS KING RETURNS FROM FLORIDA TRIP

Mrs. Emmet King, of 400 First St., Antioch, recently returned from a six-weeks trip to New Port Richey, Fla.

Mrs. King was accompanied on the trip by her sister-in-law, Mrs. Burton King of Rockford.

Picture Arranging Lesson Scheduled

Mrs. Helen Volk, Lake County Extension Adviser in Home Economics is meeting with Homemakers units throughout the county this month. She is presenting a lesson on "Selecting Pictures for the Home."

The purpose of this lesson is to create an awareness of quality in pictures. This should lead to a better appreciation of the works of artists of former ages as well as those of modern times. She says, "If a picture says something pleasant to you and inspires you, it is one you can live with and enjoy."

The Lake Region Homemakers unit met Wednesday with Mrs. Keith Eppers.

A very worthwhile lesson on "Social Security and Medicare" is being given by Mr. Bernard Barnett and his associates at several of the meetings. The Chain O' Lakes Unit, with Mrs. Rose Minarek as hostess will meet Feb. 27 at the Ingleside Methodist Church.

Cheryl Bothfeld Elected Treas. of Chi Beta Society

Cheryl Bothfeld, 1965 graduate of Antioch Community High School, was elected as treasurer of the Chi Beta Literary Society at Illinois College, Jacksonville, recently.

Miss Bothfeld, daughter of Mrs. Lucille Bothfeld, Antioch, is a sophomore at Illinois College.

Folbrick Graduates From Blackburn

Terry A. Folbrick, of Antioch, graduated from Blackburn College with a degree in mathematics at the end of the fall semester at the Carlinville, Ill., school.

Folbrick is the son of Mr. and Mrs. Stanley Toton, and is a 1962 graduate of the Antioch Community High School.

CANVAS TOPPERS TO HAVE RUMMAGE SALE

The Canvas Toppers Chapter of the National Campers and Hikers Association will have a white elephant sale of camping articles at the Shepherd of the Lake Lutheran Church, Grayslake, Sunday, Feb. 25, at 2:00 p.m. A short Campers' meeting will be held, a few games, and "coffee and" will be served.

All interested campers are invited.

Stratton Seeks GOP Nod For Governor

Former Gov. William G. Stratton, 53, has announced he is a candidate for the GOP nomination for governor in the June 11 primary. Stratton pledged an intensive statewide campaign, predicting he will win and then go on to defeat the Democratic hopeful.

"The people of Illinois sense the need for a change," he said. "There is increasing dissatisfaction among the voters, particularly with the waste and extravagance being imposed upon them by the current administration." Stratton has been a candidate for public office in 17 statewide primaries and elections. In 1932 he became the youngest governor of Illinois in 70 years and served in that post for two terms. Stratton is the fourth GOP candidate to enter the race.

A.C.H.S. Honor Roll

HIGH HONOR ROLL

Third Six Weeks - 1967-68 To make the High Honor Roll, a student must have 18 grade points and no grade lower than a "B". An asterisk will identify those names who earned a straight "A".

Lindhurst News

(By Mrs. Bernice Bernau)

Civic Teens Club Formed Fifteen enthusiastic teenagers attended the first organizational meeting of the Civic Teen Club at the Lindhurst Civic Center Feb. 9. The club is being co-sponsored by the Lindhurst Men's Club and Women's Club.

Blue and Gold Dinner The Boy Scouts annual Blue and Gold dinner was held Monday at the Lindhurst Civic Center.

Garden Club News The Lindhurst Garden Club met Tuesday evening at the home of Mrs. Gus Fabry.

Women's Club Plans Fashion Show The forthcoming Fashion Show on Wednesday, March 27, was the main topic of business discussed at the Feb. 8 meeting of the Lindhurst Women's Club.

Bernice from Olson's Apparel in Grayslake came and chose her models. The card party planned for May has been postponed until September.

April 30 is the tentative date for touring Blumberg's in Waukegan.

Pledged Following the spring semester rush period, Jan. 31 through midnight Feb. 3, Gary Fee, 514 Hillcrest Lane, Lindhurst, has been pledged to Tau Kappa Epsilon Fraternity at Illinois Wesleyan University at Bloomington. Gary is a freshman. He graduated from Grayslake in 1967.

Tax Law Changes Detailed

Changes in the handling of medical expenses are about the only difference taxpayers will notice in the filing requirements for 1967 Federal income tax return.

E. C. Coyle, Jr., Chicago District Director of Internal Revenue, said there are two major changes in the medical expense area.

First, the medical expenses of those 65 and over are now subject to the same limitations that apply to taxpayers under 65. All taxpayers must now reduce medical expenses by 3% of their gross income. Such medical expenses include the cost of drugs and medicine which exceeds 1 per cent of income. The excess over this amount is deductible.

Second, one-half of the premium paid for medical insurance up to a maximum of \$150 may now be deducted as medical expense without regard to the 3% limitation. The balance of the premium cost for medical insurance should be added to other medical costs subject to the limitation. Life insurance and accident and health insurance and accident and health insurance covering the loss of earnings are not medical expenses and the premiums paid are not deductible.

These changes are explained in the 1040 instructions as well as the IRS Publications No. 17, "Your Federal Income Tax," Coyle said.

60th Automobile Show To Open In Chicago

The 60th annual Automobile Show will open Saturday in the International Amphitheatre in Chicago.

The \$25,000,000 show will be previewed Friday night by members of the press, radio and television.

The nine-day event opens to the public with show hours from 11 a.m. to 11 p.m. through March 3.

Breakfast A Must For Teen Age Boys

A breakfast study on teenage boys, conducted by the State School Lunch program indicated that the majority of boys had a much better attitude and scholastic record when they ate breakfast than when they did not do so.

New Church Family Members

The following persons were welcomed into the family of St. Mark Lutheran Church: Mr. and Mrs. Joseph Heller, Barbara, Nana and Linda; Mrs. Fred Diebold and Mr. and Mrs. Duane Peterson and son, Timothy.

Sympathy Note Sympathy is expressed to Mrs. Julie Swanson and Robert and Donald in the sudden passing of husband and father, Elmer.

Lenten Services Lenten services begin with a Communion Service on Ash Wednesday, Feb. 28 at 7:30 p.m. at St. Mark Lutheran Church. Services will be held every Wednesday after for the next six weeks.

Legal Notices

AN ORDINANCE PRO-RATING THE COST OF THE CONSTRUCTION OF A LIFT STATION AND FORCE MAIN IN DEPOT STREET AT CREST LANE.

WHEREAS, the aforesaid improvement with its appurtenances was constructed can serve other properties adjacent to or within the Village of Antioch, and

WHEREAS, the property being directly benefited therefrom are the South 28 lots in Sequoit Terrace Subdivision; and

WHEREAS, the said OSMOND ENTERPRISES, INC. were given permission to construct said improvement by private contract with the understanding that an Ordinance be passed by the Village of Antioch after completion of said improvement, requiring that the owners of any property benefiting therefrom desiring to make use thereof, pay reimbursement of the said OSMOND ENTERPRISES, INC. or their successors or assigns for the proportionate cost of the construction thereof; and

WHEREAS, the parties recognize and acknowledge that said lift station and force main is the property of the Village of Antioch.

NOW, THEREFORE, BE IT ORDAINED BY THE BOARD OF TRUSTEES OF THE VILLAGE OF ANTIOCH, ILLINOIS:

SECTION ONE. That the cost of connecting to this improvement be determined on a per lot basis, the total number of lots benefited being 101, or \$170.861 per lot, all in accordance with estimate of cost submitted by Applied Engineering Company on January 29, 1968 and attached hereto as Exhibit "A".

SECTION TWO. That no person, firm or corporation, being the owner of or partly interested in, nor any contractor, agent, or other representative of such owner or party interested in the South 28 lots in Sequoit Terrace Subdivision shall connect to or obtain any services for sanitary sewer without first having obtained a permit from the Village of Antioch to make such connection. That no such permit shall be issued unless said applicant shall first pay to the Village of Antioch for the use of OSMOND ENTERPRISES, INC., their successors or assigns, the sum of \$4,784.11 to be served by the improvement as heretofore set forth. Such charge in the amount so paid shall entitle such owner to connect to the said improvement and shall be in addition to the usual charges payable to the Village for making sewer line connections. Such payment shall not release property owner or owners from the payment of the established fees chargeable by the Village for any additional services rendered to said properties by the Village of Antioch.

SECTION THREE: All monies collected by the Village from such adjacent property owner, or owners, for the connection charge provided for in the preceding Section in this Ordinance, except the usual connection fees and charges made by the Village in other instances, shall within thirty (30) days after receipt thereof by the Village, be paid to OSMOND ENTERPRISES, INC., or their successors or assigns, less however, an amount of four per cent (4%) to be retained by the Village for the cost of collection, plus \$100.00 representing the cost and publication of this Ordinance.

SECTION FOUR. The monies collected and paid to OSMOND ENTERPRISES, INC., their successors or assigns, shall in no case exceed the sum of \$4,784.11, which sum represents the pro-rata portion of the cost of the improvement paid by OSMOND ENTERPRISES, INC. for the said South 28 lots in Sequoit Terrace Subdivision.

SECTION FIVE: Any person, firm or corporation being the owner or owners of or parties interested in any of said South 28 lots in Sequoit Terrace Subdivision, and any contractor, agent or representative of any such person, firm or corporation making connections with the improvement hereinbefore described, without first making applications to the Village for a permit, and without first paying the fees and charges herein provided, shall be subject to a fine of not less than \$100.00, nor more than \$200.00, and upon conviction thereof the Village shall enter upon said street and remove all such connections so made within the street lines of said street.

SECTION SIX: The lift station and force main herein described is a public improvement owned by the Village of Antioch and nothing herein contained shall be construed in any manner to vest any proprietary rights in said installation in any other person, firm or corporation.

SECTION SEVEN: This Ordinance shall be in full force and effect from and after its passage and approval in the manner provided by law.

AYES:

NAYS:

PASSED AND APPROVED this 20th day of February, A.D. 1968.

Fox Lake Planning Grant Okayed By Gov't

The Village of Fox Lake will get an additional \$12,880 in urban planning assistance from the United States Department of Housing and Urban Development (HUD), it has been announced.

The grant increase, plus an original grant of \$3,940 brings to \$16,900 the total

amount approved for Fox Lake's comprehensive planning project.

Funds will cover two-thirds of the total cost of the project and may be used to help pay for planning work, such as preparation of maps, analyses of land use and the like.

Please Accept My Apology

While Richard Brinsley Sheridan was a member of parliament, he was once called upon to apologize to a fellow member.

He rose and said (and we reprint his remark without punctuation): "Mr. Speaker I said the honorable member was a liar it is true and I am sorry for it," adding that the honorable

member could place the punctuation marks where he pleased.

Emphysema, unless treated in time, can become one of the most serious of all lung diseases. Your TB Association fights emphysema, as well as tuberculosis and all other respiratory diseases.

JUST ARRIVED?

We've no red carpet to roll out; no brass band to serenade you. But we can help you with names and locations of schools, lists of community facilities, shopping, information and all the other things you'll want to know about your new home town.

A Welcome Wagon hostess will visit at your convenience to provide all this and gifts as well.

It's all yours—free—for a telephone call to Welcome Wagon.

Death Notices

MRS. IRENE A. LAKE

Mrs. Irene A. Lake, 48 years old of Wilmett, Wis., passed away at 8:15 p.m. on Thursday, Feb. 15th, in St. Catherine's Hospital at Kenosha, Wis., after a lingering illness. She was born Nov. 10, 1919, at Bassett, Wis., and had been a life long resident of the area. She was a member of Peace Lutheran Church at Wilmett. She had worked over 20 yrs. for the General Telephone Co. at Wilmett, and Silver Lake, Wis., until illness forced her to retire in December. She married Melvin Lake on Oct. 12, 1940 at Wilmett. Survivors are her husband Melvin, her mother Mrs. Mary White, New Munster, Wis., and one brother Kenneth White, North Cape, Wis.

Funeral services were held at 1:30 p.m. on Monday, Feb. 19th at the Peace Lutheran Church in Wilmett. Pastor Lawrence A. Nolte officiated. Interment was in Wilmett Cemetery. Friends called at the Strang Funeral Home in Antioch after 2:00 p.m. on Sunday.

MRS. EDNA R. DROM

Mrs. Edna R. Drom, 68 years old of 310 North Avenue, Antioch, Ill., passed away at 9:45 p.m. Thursday, Feb. 15th at her winter home in Mesa, Arizona. She was born Sept. 11, 1899, in Antioch, Ill., and had lived here all of her life with exception of winters spent in Arizona. She was a member of the Antioch Methodist Church and Lakeside Rebeccah Lodge No. 82 at Antioch of which she is a past noble grand. She married Nelson P. Drom on July 31, 1922 at Antioch. Mrs. Drom was preceded in death by 1 brother Ward Richards, and her parents Charles and Mable Richards.

Survivors are her husband Nelson P. Drom, 2 sons Lloyd N. Drom, Santa Maria, Calif., Wayne D. Drom, Saratoga, Calif., 1 daughter Mrs. Ruby James C. Horton, Antioch, 1 sister Miss Daisy Richards, Antioch, 2 aunts Mrs. Blanche Richards, Lake Villa, Ill., and Mrs. Florence Cook, Aurora, Ill., and 11 grandchildren.

Funeral services were held at 3:30 p.m. on Monday at the Strang Funeral Home in Antioch. The Rev. Donald Cobb of the Antioch Methodist Church officiated. Interment was in Liberty Cemetery north of Antioch.

MR. IGNAC ROSSOL

Mr. Ignac Rossol, 84 years old of Loon Lake near Antioch, Ill., passed away on Wed. Feb. 14th at his home. He was born Sept. 14, 1883 in Belo, Russia and came to the United States in 1951 and resided in Oakbrook, Wis., until moving to Antioch in 1964. He had been employed as a factory laborer. He married a Mrs. Stanisla Kravchenko in 1923 in Russia. Survivors are the wife Anastasia, 1 son Arkadij Rossol, both of Antioch. Funeral services were held at 10:00 a.m. Sat. Feb. 17th at St. Sava Serbian Orthodox Monastery near Libertyville, with burial in the church cemetery.

MRS. BLANCHE CASEY

Mrs. Blanche Casey, 83 years old of Silver Lake, Wis., passed away on Tue. Feb. 13th in the Hillcrest Nursing Home at Twin Lakes, Wis., following a lingering illness. She was born Jan. 31, 1885 at Clinton, Indiana. She had formerly resided in Chicago, Ill., Hoopston, Ill., and Danville, Ill. for 7 years before coming to Silver Lake in 1967. She was a member of the Danville Christian Science Church. She was a member and Past Board member of the Danville Woman's Club. She married Lloyd C. Casey on June 2, 1909 at Amarillo, Texas and he preceded her in death on Jan. 1955. One daughter Martha Ann Casey passed away in Oct., 1965. Survivors are 1 son Lloyd C. Casey Jr., Silver Lake, Wis., 2 grandchildren and 7 great grandchildren.

Funeral services were held at 8:00 p.m. on Thursday at the Strang Funeral Home in Antioch. The Rev. Donald Cobb of the Antioch Methodist Church officiated. Interment was in Liberty Cemetery north of Antioch.

MR. GEORGE J. MALECHA

Mr. George J. Malecha, 67 yrs. old of Little Lake Highlands subdivision at Lake Villa, passed away on Friday at 7:30 p.m. in St. Therese Hospital after a short illness. He was born March 21, 1900 in Chicago, Ill., and moved to Chicago in 1905, then to Lake Villa in 1937. He is a member of Lake Villa Township Post No. 1219 of the American Legion. Mr. Malecha had worked as a tool and die maker for Western Electric Co. for 47 years before retiring in 1962. He was a member of the telephone Pioneers of Western Electric. He married Gertrude Konarski on Feb. 13, 1926 in Chicago.

Survivors are the wife Gertrude, 1 step-son Mr. Donald Nowak, Pulaski, Wis., 3 grandchildren, and 1 great grandchild. Requiem mass was held at St. Peter's Church in Antioch at 10:30 a.m. on Monday Feb. 19th. Interment will be on the family lot in Chicago.

MR. GLEN J. NIXON

Mr. Glen J. Nixon, 43 years old of Loon Lake Road near Antioch, Ill., passed away at 8:40 p.m. in St. Therese Hospital on Friday, Feb. 16th from injuries received in an automobile accident on Hwy. 120 near the toll road that evening. He was born Oct. 21, 1924 in Harvel, Missouri, and had lived in the Antioch area for the past year. He had owned the "Shady Rest Inn" at Rosemont, Ill.

He is survived by his wife Rosalie (nee Scallato) Nixon, 5 sons, Glen J., Gregory K., Brian D., William and Robert, 1 daughter Sue Ellen Nixon, 2 brothers Herbert B. Rosemont, Ill., Frank, Chicago, 2 sisters Mrs. Beatrice Nills (Neelyville, Mo.) and Mrs. Nina Glogow of Flint, Michigan.

Funeral services will be held at 2:00 p.m. Tuesday at the Strang Funeral Home in Antioch. Interment was in Memory Gardens Cemetery at Arlington Heights, Ill. The Rev. Donald Cobb of the Antioch Methodist Church officiated.

MRS. RUTH A. SCOTT

Mrs. Ruth A. Scott, 67 years old of 406 Second Street, Antioch, Ill., passed away Sunday, February 18th at 6:45 p.m. in Lake County General Hospital after being sick since May, 1967. She was born May 16, 1900 in Illinois and had lived in Chicago, Orland Park, and Rockton, Ill., before moving to Antioch in 1914. She is a member of the Antioch Methodist Church. She had been police and Rescue Squad dispatcher for many years while her husband served as Antioch Police Chief. She married Walter A. Scott on Nov. 9, 1931 in Antioch.

Survivors are her husband Walter A. Scott, 1 daughter, Nancy E. Scott, Antioch, Ill., 1 sister Mrs. Mary Maplethorpe, Littleton, Colorado. Private funeral services were held on Wed. at the Strang Funeral Home in Antioch. There was no visitation. The Rev. Donald Cobb Church officiated.

Emmons School Hires New Science Teacher

The Emmons School Board recently approved the contract of Mr. Richard Herdlinka, of Waukegan as a science teacher. Mr. Herdlinka is a graduate of the University of Cincinnati.

The board also approved a teacher's salary scale with a \$6 thousand starting salary base.

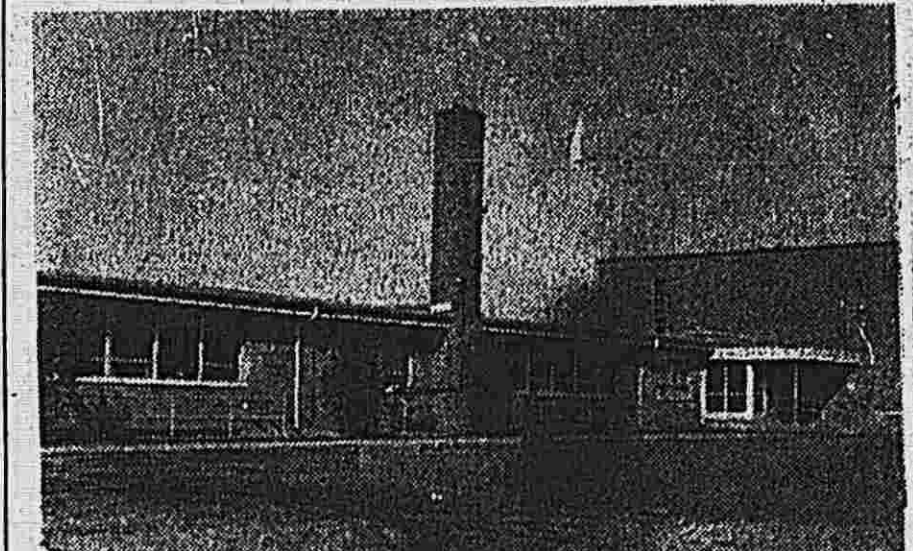

Approval was also given by the board to Emmons' participation in the Lake County Special Education Quadrant Plan.

Emmons School is one of the area's fastest growing schools. One hundred and fifty children attend and for the first time in the school's history, there is a room for each grade, thanks to the

new addition. The smallest class is the sixth grade with 13 students and the largest class is the third grade with 23 students.

Mr. Byron Levene is the principal and also teaches Social Studies for the 5th, 6th, 7th and 8th grades. The upper grades are departmentalized in Social Studies, English, Science and Math and the children rotate to different classrooms for all subjects. Some classes combine grades, such as reading, live music appreciation, current events and art.

Children and teachers are very proud of the beautiful new gymnasium, the modern, up-to-date new classrooms and the school's new look.

Emmons School, corner of Route 59 and Beach Grove Road, Antioch, Ill.

Channel Lake Girls

(Continued from page one)

Wells of the state police, found the two girls under a bridge at Lake Avenue and Illinois Highway 173. The girls had walked across the ice on Channel Lake and had eaten their lunch on a pier on the west side of the lake. They were hiding in the area of the bridge, getting out of sight under porches of summer homes when they saw searching parties.

Dawn and Debbie had walked to school the previous day and Principal Harlan Ware had talked to Dawn, a fourth grader, about this on Thursday afternoon, telling her that she should ride on the bus and should not walk to school, due to the traffic on Rte. 173, and under no circumstances should they cross the lake on the ice. Ware told Dawn to get her sister Debbie and he would drive them home, as he wanted to talk to their mother about walking to school. Dawn never returned to the principal's office with her sister, but the two girls went on home.

Why had they played hooky, eluding searching parties? The girls just didn't want to go to school.

Word was received Wednesday morning, via transatlantic telephone, of the sudden passing Tuesday, Feb. 18, of little Laurie Etienne.

Laurie, who was 15 months of age, was the only granddaughter of Congressman Robert McClory (R-12th Ill.) and the youngest child of Donald and Beatrice (nee McClory) Etienne, of Zurich, Switzerland. Her brothers, Robert and Michael, and her grandparents, Mr. and Mrs. Eugene Etienne, all of Switzerland, also survive.

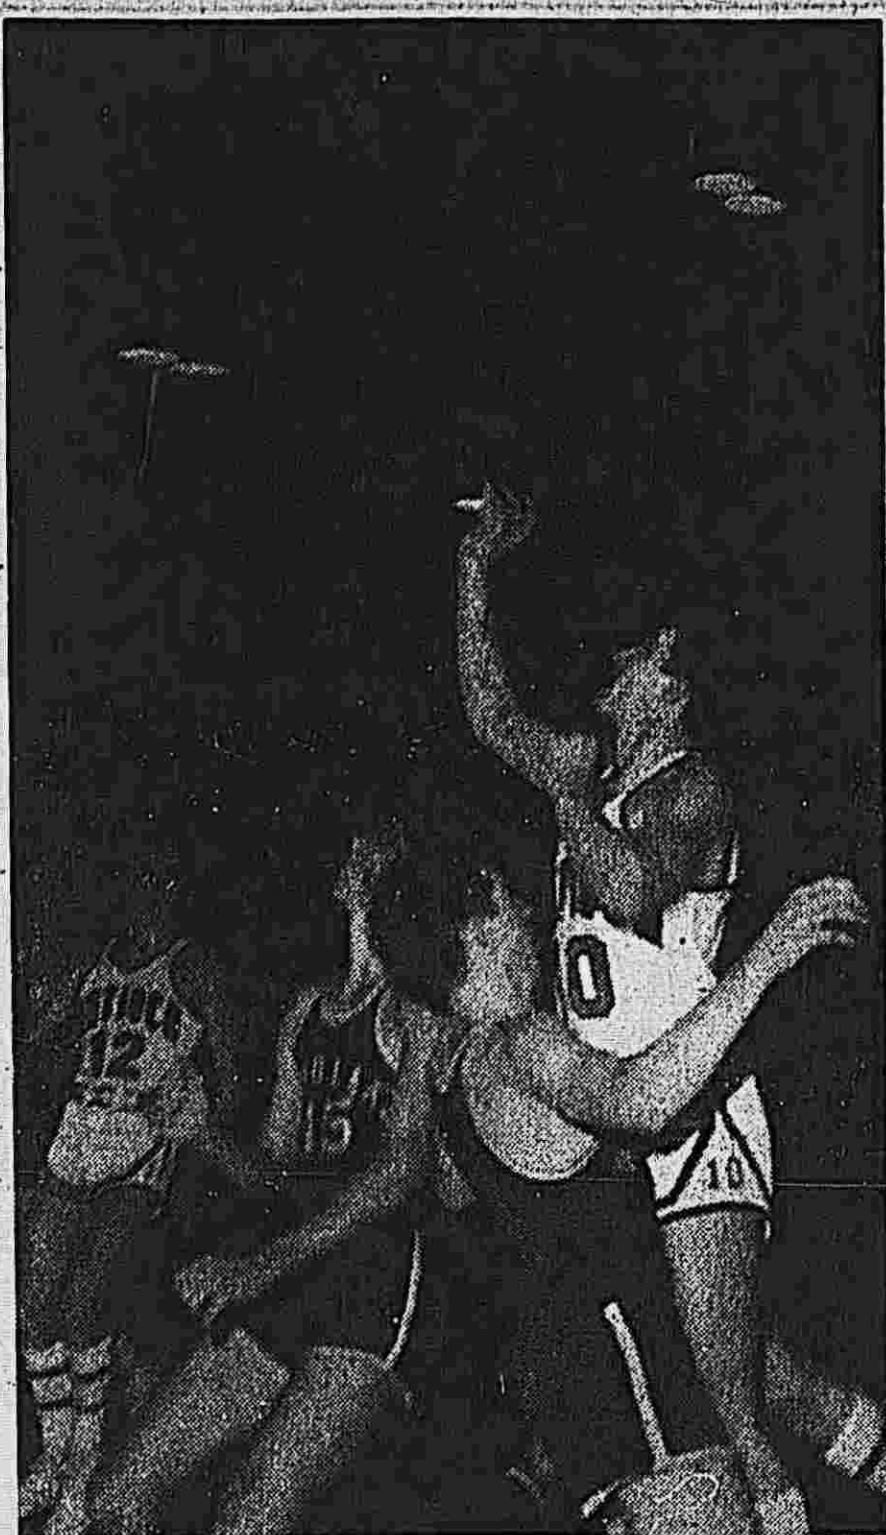

With her parents, Laurie made her only visit to the United States in October '67. A photograph taken with her grandfather on the steps of the Capitol graced the 1967 Christmas greeting card of Congressman McClory and was seen by thousands in the 12th District.

The Great Lakes Office, Interagency Board of U. S. Civil Service Examiners for Illinois announce that applications are now being accepted for a variety of positions in the Federal Security Force. Positions to be filled are GS-3, GS-4, GS-5, GS-6, GS-7, GS-8, GS-9, GS-10, GS-11, GS-12, GS-13, GS-14, GS-15, GS-16, GS-17, GS-18, GS-19, GS-20, GS-21, GS-22, GS-23, GS-24, GS-25, GS-26, GS-27, GS-28, GS-29, GS-30, GS-31, GS-32, GS-33, GS-34, GS-35, GS-36, GS-37, GS-38, GS-39, GS-40, GS-41, GS-42, GS-43, GS-44, GS-45, GS-46, GS-47, GS-48, GS-49, GS-50, GS-51, GS-52, GS-53, GS-54, GS-55, THE ANTIOCH NEWS 7

Tony Barnett (10) goes up for a score as Jim Carlson (12) stands ready for rebound in game with Round Lake Friday. The Sequoits lost 82-65.

Round Lake Beats Sequoits 82-65

Displaying an excellent fast-break-and-great-strength on the boards, a fine Round Lake team defeated Antioch 82 to 65 last Friday evening.

The Sequoits were hit hard in the first quarter by the Round Lake fast break and they never recovered. The score at the end of the first quarter was 24 to 10.

During the second quarter the Sequoits played some steady ball, but couldn't close the gap on the Panthers. Steve Miklautsch was the big gun for Antioch during second quarter with six baskets.

In the third quarter the Sequoits just couldn't buy a basket and Round Lake really charged off, outscoring the Sequoits 27 to 13. The rebounding of the Panthers' "Big Three" and their scoring was just too much for the Sequoits to handle. The "Big Three" are, Tom Wittum, 6' 1", Jim Prorok, 6' 3", and Mickey McCarty, 6' 3". They scored 20, 27, and 16 points respectively. Also Prorok lead their rebounding with 16.

In the fourth quarter both coaches turned the game over to the reserves with the Antioch boys gaining an upper hand — outscoring the Panthers 28-14, but much too late.

Team statistics were as follows:

Rebounds — Antioch 43; Round Lake 51.
Shooting — Antioch, 23 made of 90 attempts, 25%; Round Lake, 30 made of 75

attempts, 40%.
Leading scorers—Antioch, Steve Miklautsch, 22 points, Jerry Martin 10 points. Round Lake, Tim Prorok 27 points, Tom Wittum, 20 points.

Steve Miklautsch and Jerry Martin both played some fine basketball for the Sequoits, displaying lots of hustle and desire. It looks like Martin is in position for a starting berth as he has done real well the last two games.

The best way to get a loan is to look as though you don't need it.

Harlem Clown greets Antioch and Oakland 6th grade basketball players at ACHS Faculty benefit game, Thursday, Feb. 15.

Harlem Clowns Beat ACHS Faculty 74-46

A capacity crowd last Thursday night witnessed the sad defeat of Coach "King" Lear's Antioch High School faculty basketball team at the hands of the Harlem Clowns 74-46.

The Clowns were all giant 6 plus footers and had no trouble at all in finding the basket. One of the highlights of the evening was a shot from the middle of the gym by one of the Clowns for a basket, which brought loud applause from the audience.

The crowd sensed from the beginning that the facul-

ty team would go down in defeat as they watched the practice warm-ups of the Clowns.

The faculty team really surprised their followers, however, by some fine basketball plays. "Buckets" Blecke was the high scorer for the faculty with 9 points, and Gary Allen and "Muscles" Mueller each scored 8 points. Gary Strong of Allendale and Lyle Lang of Millburn were the leading rebounders for the faculty.

The faculty had four of the sexiest cheer leading cuties

imaginable in the persons of "Stephanie" Miklautsch, "Wilhelmina" Smith, "Karol" Jennrich and "Josephine" Pas. The cheer leaders were really stacked (not saying how) and gave evidence as they clowned with the Harlemites that they knew something about basketball.

Preceding the big game, a scrappy Antioch Grade School team of 6th graders beat the Oakland 6th graders 28-10.

The PTA and Antioch "A" Club would like to express a sincere thank you to all the business men and friends who donated to the scholarship and athletic funds.

The amounts received will be more than adequate for the PTA scholarships for the coming year.

Sophs Beat Round Lake Friday 79-44

The Sophs put together an excellent game of basketball, after four minutes had gone by in the first period, in beating the Round Lake sophs, 79-44, on Antioch's floor Friday night.

The hot shooting Sequoits overpowered their opponents from the floor hitting 33 field goals to Round Lake's 16. Russ Houle, Keith Bolton and Jim Polley (Antioch's front line) carried the scoring load with 18, 15, and 12 points respectively, and were ably assisted by Marty Romaine, Jim Weiss, Bill Albano and Wayne Simon.

Coach Lischewski praised the entire team stating "The game was an outstanding effort on the part of the entire team. The boys played extremely well both offensively and defensively. It seems as though we have finally 'arrived' as a basketball team. We will know after this weekend during which we play Wauconda, there, and a fine Zion-Benton team at home."

He also cited Russ Houle for playing an outstanding game both defensively and offensively.

Maltes Team Wins In Stowe Endural

A four hour Endural was held Sunday, Feb. 11 at Stowe's Hobby Barn.

Thirty-two cars tried out for this event, but only 8 qualified.

First place was won by Ken and Rick Matthes with their Pittman 84 car. Jim Lotta and Mark Tom took second with a Pittman 706. The team of Walter Mitchell and son, "Sonny" placed third with their Pittman 84.

Prizes were awarded and the climax of the evening was a barbecue supplied by Russ and Judy Stowe.

Antioch Singles Bowling Tournament Opens Feb. 24

Mayor Ray Toft will throw the first ball in opening the 23rd Annual Antioch Singles Bowling Tournament Saturday, February 24, at 12 noon at the Antioch Bowl. This bowling tournament is for men and women and will take place every Wednesday (daytime only) and each weekend beginning Feb. 24 through March 17.

Last year some 1900 bowlers entered the tournament. This year, first place prize has been increased from the usual \$500 to \$600. Second and third place prizes have also been increased.

Entry fee is \$5.00 and includes bowling. Call Antioch

Bowl for reservations, and Myrtle Sampayo, tournament secretary, suggests that you call early.

Bowlers from Zion-Benton Bowling Lanes, Zion, captained and sponsored by Marv Ehlers will be first on the agenda Saturday afternoon.

At 9:00 p.m. Sunday, Joe Simonis and his Chicago bowlers will participate in the tournament. Joe's brother, Herman, bowled the first and only perfect 300 game of the tournament two years ago.

A large enrollment is expected for this big tournament.

'Snowmo-Feet' Feb. 24-25

West Allis, Wis., "Snowmo-Feet" is the name given by the West Allis Star, to two days of snowmobile racing the newspaper is sponsoring Feb. 24-25 at the city's Wisconsin Exposition state fairgrounds.

The races are sanctioned by United States Snowmobile Association, class A type, and will be run, snow cover and weather conditions permitting. A \$2,500 purse is guaranteed winners, but is expected to top this figure, depending upon total driver entry. All entry fees will be returned as prize money.

The race course will be laid out in the center of the one mile race track. Snow cover in the Milwaukee area has not been adequate for either recreational or competitive snowmobiling to date this season, (an earlier scheduled race was cancelled) and the newspaper will cancel if necessary in adequate time to notify all participating drivers.

Racing Association To Meet February 25

A meeting will be held on Sunday afternoon, Feb. 25, at 2:00 p.m. at the VFW Hall in Lake Villa, for the members of Interstate Racing Association. This new association is made up of owners and drivers of modified stock cars that competed last year at the Lake Geneva Speed Center, The Waukegan Speedway and the Kenosha County Speedway in Wilmet.

At this meeting rules for the 1968 season will be discussed and further plans for nights of racing in 1968 will be announced.

A dance for members and guests will take place on Saturday night, March 9, at the VFW Hall in Lake Villa. Tickets are available from the more than 100 members already signed up in the association. President Duane Harris, a driver champion of the modifieds, reports interest and progress both running very high in the association's plans for 1968.

Tuberculosis can be cured a lot faster today than it used to be, but it still takes months. For the best results, treatment should begin in a hospital properly staffed and equipped for the treatment of this number one infectious killer.

Antioch Faculty's sexy cheerleaders: "Karol" Jennrich, "Stephanie" Miklautsch, "Wilhelmina" Smith, and "Josephine" Pas, did much to up the spirits of the faculty basketball players in their game Thursday night with the Harlem Clowns.

2 Antioch Wrestlers Go On To Sectionals

With five regular varsity wrestlers out, due to sickness and injuries, Antioch's crippled wrestling squad did a very commendable job over the weekend and taking 4th in the district.

Boys doing outstanding jobs for Antioch and who will be going on to the sectional at Evanston were Wilford Wells at 103; 133 lb. Bob Diemer and 180 lb. Bill Revell who each took second

place. Other boys doing a good job were Gary Aerne at 120 lbs., and Don Gaa at 154, each taking third place.

Rick Nelson at 138 and Charles Hollarcker, heavy-weight both took 4th place.

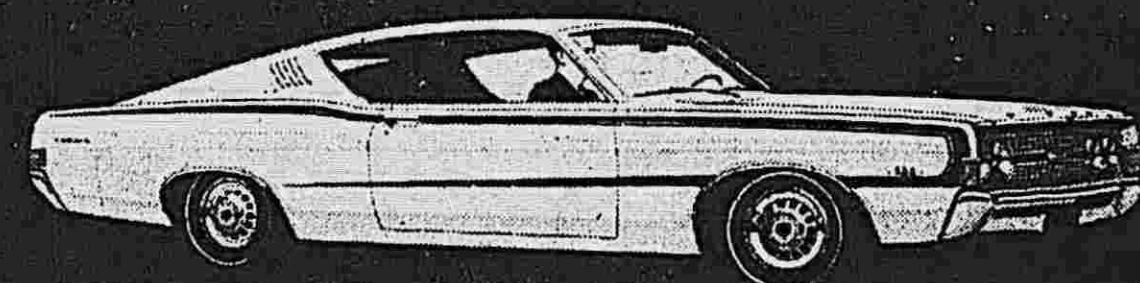

Coach Andy Hauptman remarked, "From now on out there are no easy matches. Every boy is tough. No matter who the boys draw, it is self who each took second

I feel my job now, as a coach, is to convince each boy that he has a chance against the boy he gets out of the draw. Our district is one of the toughest and many state champs have come out of this district. With a little more effort in this week's practice," said Hauptman, "and confidence in themselves, I feel that two or three boys could go on further."

"Captain of the Varsity wrestling team Mike Wells, lost to Schweiss of Grant, in an overtime match," said Hauptman. "Both boys are outstanding wrestlers and one mistake kept Mike from going downstate. Mike had a very outstanding season and I am sure that he will

Three money-saving ideas from Ford Country

A fresh idea: Torino

A wild idea: Mustang

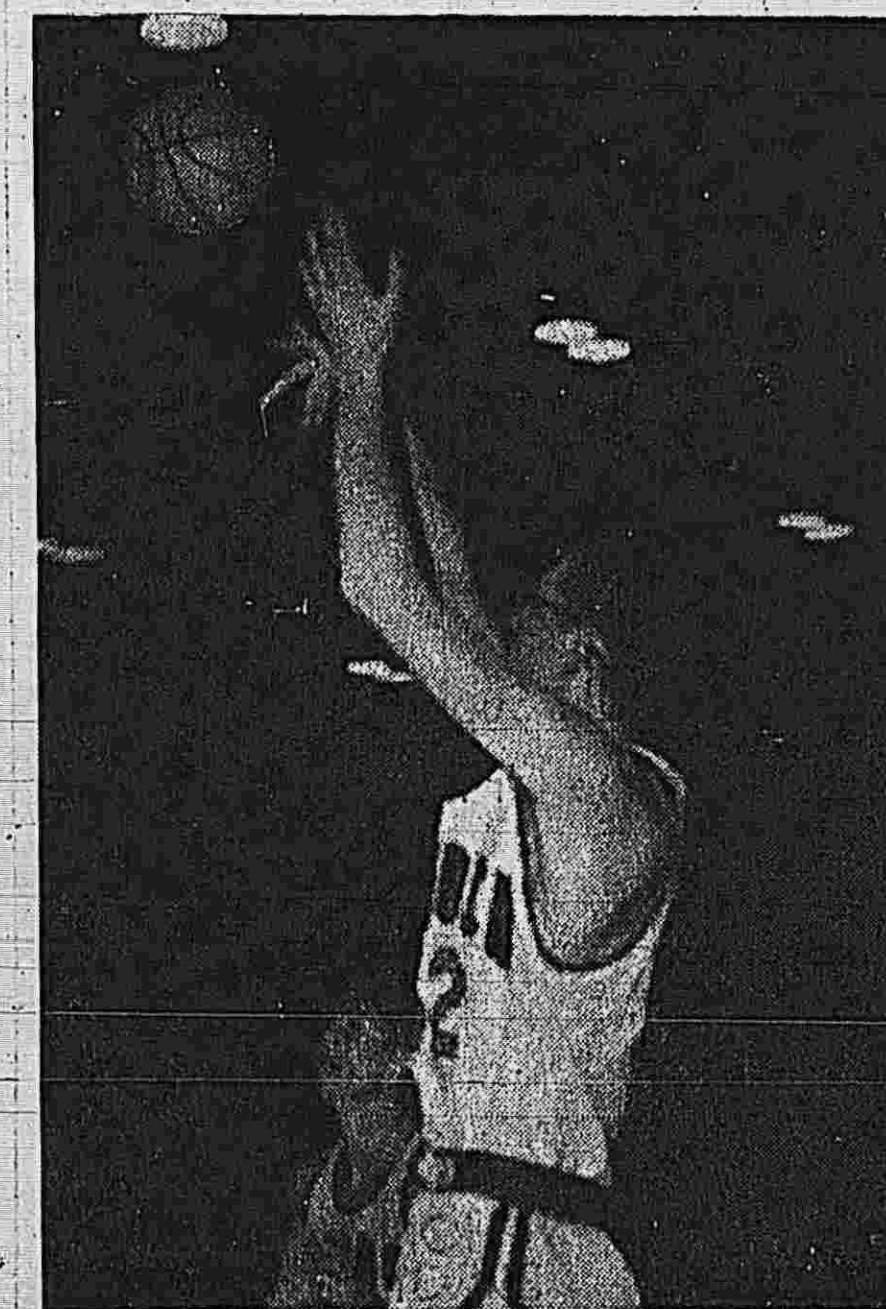

A big idea: Ford Galaxie

Ford Country is hardtop country and we've got more hardtops than anybody. Torino—more car than 38 competitors and only intermediate fastback in the country. Mustang—America's unmistakable favorite. Galaxie—the hardtop that brought quiet back to U.S. roads.

Make your move to Ford Country... Land of Better Ideas and Better Deals!

Steve Miklautsch gets ready to make a basket in game with Round Lake.

STATE OF ILLINOIS

EXECUTIVE DEPARTMENT

Proclamation

WHEREAS, One year ago Antioch's Project Vietnam was born of a great need of area servicemen who are serving their country in devastated parts of our world, and

WHEREAS, Project Vietnam was the inspiration of Harry Brehen, beloved member of Antioch's Post Office and was approved by Postmaster Joseph Wolf and the entire personnel of Antioch's Post Office, and underwritten by enthusiastic citizens; and

WHEREAS, Our fighting men from Antioch have received more than 2,000 individual packages; those reminders of home that so fill their minds while fighting on foreign soil, and

WHEREAS, Then entire community of Antioch have enthusiastically given of their time to mail personal items to our servicemen from that area with the legend "We are proud of the United States Armed Forces. This little package is just our way of saying thank you for the fine job you are doing and to let you know we are thinking of you. Take care of yourself and return safely home.", and

WHEREAS, The bravery, resourcefulness and determination of our men overseas are fortified by such personal mandates by the citizens at home,

NOW, THEREFORE, I, Otto Kerner, Governor of the State of Illinois, do hereby pay tribute to the entire community of Antioch for their example of the American spirit as manifested in PROJECT VIETNAM. I urge that all citizens in all communities of our great state mark this project with appropriate observances. May this proclamation be a token of our affection and gratitude to fine Americans in Antioch and their sons across the world locked in the grim struggle for freedom for all peoples.

In Witness Whereof, I have hereunto set my hand and caused the Great Seal of the State of Illinois to be affixed.

Done at the Capitol in the City of Springfield,
this EIGHTY day of FEBRUARY, in the
Year of Our Lord one thousand nine hundred
and SIXTY-EIGHT, and of the State of
Illinois the one hundred and FIFTIETH.

Legal Notice

LEGAL NOTICE
IN THE CIRCUIT COURT OF THE 19TH JUDICIAL CIRCUIT, LAKE COUNTY, ILLINOIS PROBATE DIVISION ESTATE OF HATTIE M. HANSEN, Deceased, FILE NO. 88 P-81.

Notice is hereby given pursuant to Section 194 of the Probate Act, of the death of the above named decedent and that letters of Administration were issued on February 1, 1968, to EARL E. HANSEN, 218 W. Church Street, Waukegan, Illinois, whose attorney of record is Ted C. Larson, 388 Lake Street, Antioch, Illinois, and that the first Monday in the month of April, 1968, is the claim date for the estate.

Claims against said estate should be filed in the Probate office of the Clerk of said Court, County Court House, Waukegan, Illinois, and copies thereof mailed or delivered to said legal representative and to said attorney.

STEPHANIE SULTHIN
Clerk of the Court
(Feb. 15-22, 1968)

ZONING NOTICE
OF PUBLIC HEARING
VILLAGE OF ANTIOCH,
ILLINOIS

TO WHOM IT MAY
CONCERN:

A public hearing will be held in the Village Hall, 874 Main Street, Antioch, Illinois, on Tuesday, the 12th day of March, 1968, at 8:00 p.m. Central Standard Time on the following:

Petitioners: William Keulman, Jr. and Thelma T. Keulman, his wife.
Location of Address of Property Involved: 895 Broadway, Antioch, Illinois.
Change in classification sought: From B-2 Business District to M-1 Manufacturing District, Limited.

Legal Description of Real Estate Involved:

Parcel 1: All that part of Lot 53 in County Clerk's Subdivision of unimproved lands in the Village of Antioch, in the South West quarter of Section 8, Township 46 North, Range 10 East, of the 3rd P.M., according to the plat thereof, recorded June 20, 1907, as Document 112577 in Book "G" of Plats, pages 76 to 81 both inclusive, described as follows, to-wit: Commencing at the South Westerly corner of Lot 56 in said Subdivision; thence South Westerly along the Southerly line of said lot 56 produced Westerly to the intersection of said produced line with the West line of Lot 68 in said County Clerk's Subdivision; extended Northwesterly to the North East corner of said Lot; thence North Easterly along the Northerly line of said Lot, 91.7 feet to the North Westerly corner of Lot 64 in said Subdivision; thence Southerly along the Westerly line of Lots 54, 55, and 56 in said Subdivision to the place of beginning, in Lake County, Illinois.

Parcel 2: Together with an easement or right of way over the Northerly 10 feet of Lot 57 and that part of Lot 53 in County Clerk's Subdivision aforesaid, described as follows, to-wit: Commencing at the South Westerly corner of Lot 56 in County Clerk's Subdivision aforesaid; thence South Westerly along the Southerly line of Lot 56 produced 60 feet; thence Southerly parallel with the Westerly line of Lot 57, 10 feet; thence North Easterly parallel with the Southerly line of said Lot 56 produced 60 feet to the Westerly line of said Lot 57, and thence Northerly 10 feet to the place of beginning, created by two Deeds from John J. Morley and Nellie I. Morley,

Death From Lung Cancer On Rise

Dr. John J. Zannini, president, Lake County Unit, American Cancer Society said that "death rates from cancer of the lung continue to rise to record heights, while death rates from cancer of the uterus continue to decline."

The American Cancer Society's "Cancer Facts and Figures" issued for 1968 shows that deaths from cancer of the lungs will mount to an all-time high, with 55,000 deaths estimated for 1968 as compared to 52,000 in 1967, he said.

Dr. Zannini continued by saying "A decline is indicated for the death rate from uterine cancer (though the number of deaths last year—13,500—remains the same because of population changes.) This is a continuation of cancer in women over the past 25 years. The ACS attributes the increasing number of lives saved in large part to the wider applica-

tion of the Pap test which helps detect the cancer in its early and more curable stages."

More than 50 million Americans now living will eventually develop cancer—if the present rates continue, the Society booklet reports.

The figure of over 50 million Americans means that one in every four persons will get cancer and it will strike approximately two of three families.

The death rate of stomach cancer continues to decline—the estimate for 1968 is 17,000 deaths as against 18,000 in 1967. "1968 Cancer Facts and Figures" notes that there has been a 40 percent decline in mortality from stomach cancer in the past 20 years, for reasons yet unknown.

"There are now 1,400,000 Americans, alive today who have been cured of cancer," according to the ACS publication. By "cured", the Society means that they are without evidence of the disease at least five years after diagnosis and treatment. Actually, the Society notes that there are more than 2,000,000 Americans cured of cancer, because 700,000 ex-cancer patients will not formally be counted as cured until they have completed the five years.

About 200,000 Americans will be saved from cancer in 1968, the publication reports. It also notes that if present patients will die in 1968 who could be saved by earlier and better treatment. "1968 Cancer Facts and Figures" also shows that in 1968 about 915,000 Americans will be under medical care for cancer; there will be about 600,

his wife, one to Eugene M. Runyard, as Trustee under Trust Agreement dated May 29, 1926 and recorded June 2, 1926 as Document 280022 and the other to W. J. Huber and F. L. Middendorff, dated November 4, 1926 and recorded November 5, 1926, as Document 288354.

All persons desiring to appear and be heard for or against said rezoning may appear at the said hearing and be heard thereon.

Dated this 20th day of February, 1968.

Village of Antioch
Zoning Board of Appeals
Frederick J. Walpole,
Chairman
(Feb. 22, 1968)

000 new cancer cases (diagnosed for the first time) in 1968 Dr. Zannini said.

He continued: "In 1968 an estimated 4,500 children under the age of 15 will die of cancer, about half of them of leukemia, which is cancer of the blood-forming tissues and bone marrow." The Society's Annual Meeting was informed that on Sept. 1, 1967 there were 61 ACS grants for more than \$2 million that were directly or indirectly related to leukemia.

Many cancer experts believe that if drugs or vaccines can be found which will cure or prevent cancer, they will be successful first for leukemia and the lymphomas.

Newly developed drugs and combinations of drugs have arrested leukemia for longer periods of time than ever before. But there is no preventive or cure as yet, the Society reported.

According to the Society publication, cancer of the colon and rectum will strike about 73,000 Americans in 1968, more than any other type of cancer except skin, and it occurs about equally in men and women.

Some 45,000 die of it annually, although almost three out of four patients might be saved by early diagnosis and proper treatment.

Approximately 1,000 more deaths from cancer of the breast are estimated in 1968 than occurred in 1967. The 1968 estimate is for 65,000 new cases and 28,000 deaths. Cancer of the breast remains the leading cancer death in women.

Tuberculosis is a major respiratory disease, the cause of known active illness for about 120,000 Americans. TB is an acute respiratory disease that may become chronic.

2 Antioch....

(Continued from page seven)

also do well in college, if given the chance.

"We had one freshman and two sophomores that had to fill in for our injured boys," stated Hauptman. "Freshman Leo Lulois and Sophomores Larry Wells and Rick Nelson did a very outstanding job of filling in. They drew the number one seated boys in the tournament and refused to be pinned. I think that if these boys can keep this attitude, Antioch will have many more victorious wrestling seasons. If this attitude can spread like the plague to the other younger members of the wrestling squad, Antioch will have few problems next year."

Millburn News

By Mrs. Frank Edwards
Editor 6-5795

Regular services at Millburn Congregational Church Sunday, Feb. 25, Church and Sunday School at 10 a.m.

The Devotional Study Group met at the home of Mrs. Vera Ryckman Feb. 8, with 10 members present. The next meeting will be held on Thursday morning, Feb. 22, at 9 a.m. at the home of Mrs. Carl Anderson.

The Millburn Social Club met Tuesday evening at the Millburn Church with a potluck dinner at 7 p.m. Mr. and Mrs. Cecil Cade, Mrs. Carl Anderson and Mr. Ross Hermon were in charge of the supper.

Mr. and Mrs. Raymond Hauser and daughters of Menominee, Mich., spent a recent weekend at the homes of Mrs. Harley Clark and Mrs. Frank Hauser.

Mrs. Elsa Lotz of Chicago is visiting her daughter, Mrs. Herbert Messner.

Mr. and Mrs. Walter Fontaine and son of Gurnee, Mr. and Mrs. James Bonner and family of Kansasville, Wis., Mr. and Mrs. John Clark and family of Waukegan, Mr. and Mrs. Clayton Engh and family of Gurnee, Mr. and Mrs. Raymond Hauser and daughters of Menominee, Mich., and Robert and Glen Clark of Wadsworth were dinner guests of Mrs. Harley Clark Sunday, Feb. 11.

Leslie Bonner is a medical patient at Victory Memorial Hospital, Waukegan.

Regular services at Millburn Congregational Church Sunday, Feb. 25, Church and Sunday School at 10 a.m.

The March committee of the Millburn Ladies Aid will serve a Cafeteria dinner to the public Thursday, March 7 at 12 noon. Chairman of the dinner, Mrs. Milton Bauman, and her co-chairman, Mrs. Howard Bonner. Business meeting of the Aid will be at 1:30 in the church parlor. Devotions by Mrs. Lyman Thain and program by Mrs. Garrett Trout. The public is invited.

Mrs. Frank Hauser was a dinner guest of Mr. and Mrs. Fred Hauser of Waukegan, Sunday.

Mrs. Romelle Pringle of Milwaukee spent Sunday at the Garrett Trout home.

Mrs. Frank Edwards was a Sunday dinner guest of Mr. and Mrs. John Edwards of Libertyville.

The Devotional Study Group will meet at the home of Mrs. Carl Anderson today (Thursday, Feb. 22) at 9 a.m. The Senior Fellowship are making plans for special services during Lent. These will be Sunday evening services.

The late Alben Barkley, when vice president, defined an economist as: "A financier without any money who wears a Phi Beta Kappa key on one end of a watch chain and no watch on the other."

Sid Caesar puts it this way: "Today if you wanna face reality, you've gotta live in a dream world."

The league high bowler for the evening, Pete Lehman (210-174-224—608) paced Kemp's Tavern to three wins and high team series for the evening over Red Arrow Tavern. Pete was followed by Harv Strometz (198-569), George Balek (188-488), Al Chetebok (188-488) and Chuck Kemp (162-430). Herb Fox 187-552 for Red Arrow.

"Mickey" Harr paced Cole's Tavern with 200-543, but they dropped two games to Helvetia Hotel. Joe Effinger 169-475 for Helvetia Hotel.

FOR RENT

we care

"a bit more"
is what makes
our white bread better!

We're talking of course about Jane Parker White Bread.

We use a bit more milk than we have to, to give you a richer loaf.
We never use milk substitutes.

We use a bit more shortening than we have to,
to give you a softer loaf... the way you like it.

We use a bit more sugar than we have to,
to give Jane Parker more flavor.

We do one more thing that hardly anybody does.

We date our Jane Parker White Bread.

It's the only absolute guarantee of freshness
you have... unless you bake your own.

And speaking of guarantees,
we unconditionally guarantee you'll like it.

So, you see, we really do do "a bit more."

Since Jane Parker Bread is sold only at A&P,
shouldn't A&P be your store?
